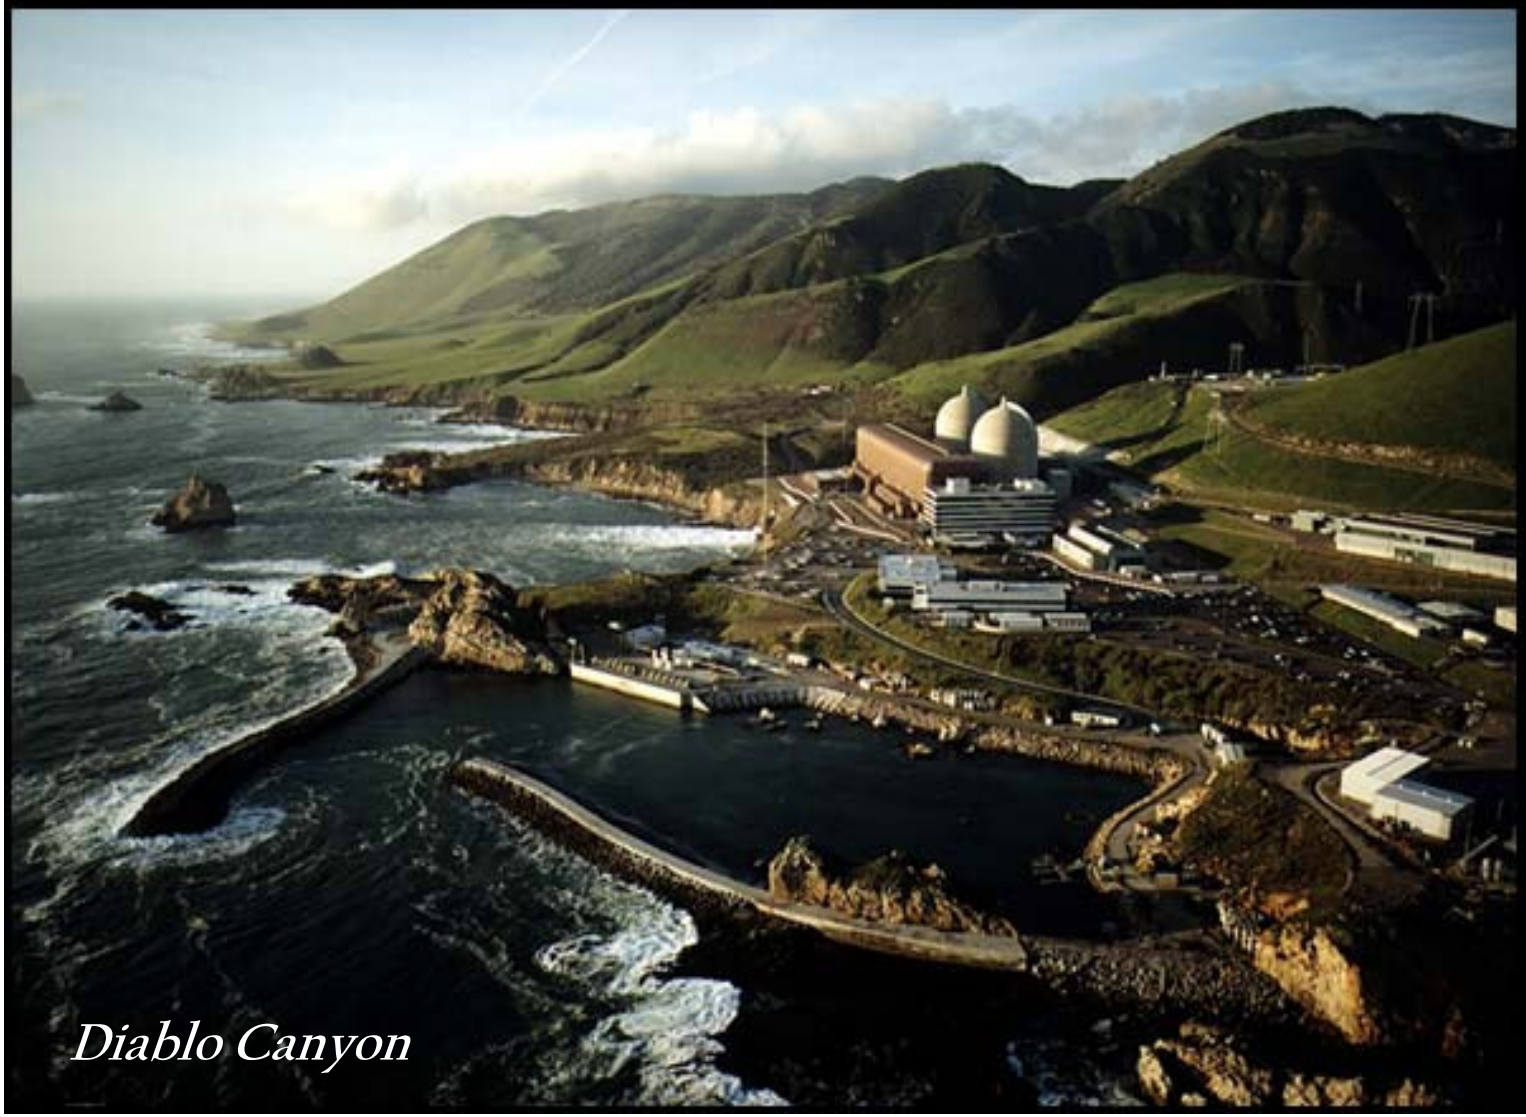
Technology Alternatives for Baseline Once-Through Cooling Systems



Diablo Canyon

□ egulation an□ Im□act Assessment of Once-Through Cooling Systems of California Coastal □o□ er □lants

August □□-□□, □□□□

Tim Havey
Tetra Tech, Inc.

Presentation Overview

I. Summary of California Facilities

II. Commonly Used IM Technologies

A. Flow Reduction

B. Physical Barrier

C. Diversion

D. Collection

E. Restoration

III. Next Steps

IV. Questions
