Project Title: Log Cabin and Our House Diversion Dams Sediment Passage Project

Project Location (include county): Oregon Creek in Yuba County and Middle Yuba River in Sierra and Nevada Counties, California.

Project Description: The Log Cabin and Our House Diversion Dams Sediment Passage Project will implement sediment passage using the low level outlets at two Yuba County Water Agency (YCWA) diversion dams. YCWA has identified the following objectives for sediment passage at the Our House and Log Cabin Diversion Dams: 1) to provide for dam safety and proper functioning of diversion dam facilities, specifically the fish release and low level outlet valves; and 2) to maintain the health of the aquatic environment downstream of the diversion dams by allowing for the passage of sediment that accumulates behind the dams.

This is to advise that the State Water Resources Control Board (Responsible Agency) approved the above described project on FEB 10 2016 and has made the following determinations regarding the above described project:

1. The project [☐ will ☒ will not] have a significant effect on the environment.
2. ☐ An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
   ☒ A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [☒ were ☐ were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [☒ was ☐ was not] adopted for this project.
5. A statement of Overriding Considerations [☐ was ☒ was not] adopted for this project.
6. Findings: [☐were ☒ were not] made pursuant to the provisions of CEQA.

This is to certify that the State Water Resources Control Board (Responsible Agency) has taken discretionary action on this project and has incorporated the determinations made above. The Mitigated Negative Declaration is available to the General Public at: State Water Resources Control Board, Division of Water Rights, 1001 I Street, 14th Floor, Sacramento, CA 95814.
