John Muller, Chair
SF Bay Regional Water Board
1515 Clay St, Ste 1400
Oakland, CA 94612

Dear Mr. Muller:

The SF Bay is filled with trash. It kills marine life, impacts water quality and impedes recreation. The Water Board's proposed permit would require cities and counties to meet a cleanup level of 100 pieces of trash for every 100 ft. in a trash "hot spot," but this is not enough. Our precious Bay deserves the highest level of protection — zero trash.

Sincereley,
