This meeting will be held at:

**Cutler Elementary School
40532 Rd 128, Cutler, CA 93615**

The State Water Resources Control Board (State Water Board) invites you to attend a public meeting to learn about the potential for Orosi Public Utility District (Orosi PUD) to supply drinking water to Cutler Public Utility District (Cutler PUD).

BACKGROUND

In August 2022, the State Water Board issued a compliance order to Cutler PUD for the violation of the 1,2,3-trichloropropane (1,2,3-TCP) maximum contaminant level. On May 8, 2023, the State Water Board issued a letter to Cutler PUD initiating the mandatory consolidation process. The first step in the process is to provide a six-month period for Cutler PUD and Orosi PUD to negotiate consolidation voluntarily. This public meeting is an opportunity to inform Cutler PUD customers on the consolidation process and allow for public comment.
