#### **SUBJECT OF THE CANCELLED HEARING**

The State Water Resources Control Board (State Water Board) had scheduled a hearing to consider the allegations brought by the State Water Board Office of Enforcement Prosecution Team in this matter. The Prosecution Team had issued an Administrative Civil Liability Complaint alleging that AdvancedGeo, Inc. (AGI), a Delaware corporation, Advanced GeoEnvironmental, Inc., a dissolved California corporation, and Robert Marty, who has served as officer for the two entities, intentionally misrepresented costs to the Underground Storage Tank Cleanup Fund (Fund).

The Prosecution Team, on behalf of the Fund, and Respondents AGI and Mr. Marty reached a settlement and submitted a Settlement Agreement and Stipulation for Entry of Administrative Civil Liability Order to the State Water Board. The State Water Board approved the Settlement Agreement and Stipulation for Entry of Administrative Civil Liability Order by Order dated September 26, 2022.

E. JOAQUIN ESQUIVEL, CHAIR | EILEEN SOBECK, EXECUTIVE DIRECTOR

Accordingly, no hearing is required to be held concerning the Administrative Civil Liability Complaint, and the previously postponed hearing is cancelled.
