Quality Through Collaboration

1st California Environmental Laboratory
Accreditation Program Conference

**Virtual
Event**

**Tuesday 6/1 – Thursday 6/3
9:00 – 11:00 a.m.
2021**

The ELAP team is excited to announce the first ever ELAP Conference! We are looking forward to offering you the opportunity to engage with the laboratory community, provide informative presentations, answer questions, and facilitate impactful networking. Our theme “Quality through Collaboration” embraces the vision for ELAP’s meaningful partnership with accredited environmental testing laboratories, stakeholders, and agency partners throughout the state. Make sure to put this on your calendar – you won’t want to miss our inaugural event! Find out how to register at the ELAP Conference Page.
