BEFORE USING SAFETY-KLEEN SOLVENTS, CLEANING SOLUTIONS OR EQUIPMENT, READ ALL APPLICABLE MATERIAL SAFETY DATA SHEETS (MSDS), LABEL AND INSTRUCTIONS. IF YOU HAVE ANY QUESTIONS OR NEED ADDITIONAL INFORMATION, PLEASE CONTACT YOUR LOG/ SAFETY-KLEEN SERVICE CENTER OR CALL 1-800-669-5740.

A. PROVISIONS APPLICABLE TO SAFETY-KLEEN'S PARTS CLEANER AND PAINT GUN CLEANER SERVICES. The following three paragraphs A. 1-3 apply only where Safety-Kleen furnishes its Parts Cleaner or Paint Gun Services to Customer.

1. Safety-Kleen agrees to collect for reclamation from Customer the used solvent supplied by Safety-Kleen to parts or paint gun cleaner machine(s). Collection of the used solvent shall be on a periodic basis as otherwise provided herein. Safety-Kleen shall reclaim the used solvent for redelivery. Safety-Kleen has the capacity and is permitted to accept, store and/or reclaim the spent solvent provided to Customer hereunder. Safety-Kleen and Customer agree to enter into an agreement to implement and comply with the requirements of 40 Code of Federal Regulations 262.20(a), as amended, and any state regulations which implement said provision. Customer agrees to keep this form on file for 3 years from the date of last service.

2. Customer agrees that it will not introduce any substance into the solvent or aqueous cleaning solution, including without limitation any hazardous waste or hazardous waste constituent, except to the extent such introduction is incidental to the normal use of the machine. Customer further agrees that it will not clean parts/paint guns that have been contaminated with (or otherwise introduce) polychlorinated biphenyls (PCBs), herbicides, pesticides, dioxins or listed hazardous wastes into the solvent or aqueous cleaning solution.

3. If Safety-Kleen provides its Nonhazardous Parts Cleaner or Paint Gun Cleaner Services to Customer, Customer represents, warrants and certifies that the solvent or aqueous solution collected by Safety-Kleen hereunder has not been mixed, combined or otherwise blended in any quantity with any material that would render the solvent or aqueous cleaning solution hazardous under applicable law, including without limitation 40 CFR Part 261. Customer further represents warrants and certifies that such solvent or aqueous cleaning solution was generated in the same process that generated the waste solvent or aqueous cleaning solution that was: (a) sampled and analyzed by Safety-Kleen to qualify the waste stream for nonhazardous treatment; or (b) in the event Customer qualifies and has elected not to have its waste solvent or aqueous cleaning solution analyzed by Safety-Kleen, analyzed or otherwise investigated by Customer to support Customer's certification that such waste stream is nonhazardous.

B. PROVISION APPLICABLE TO SAFETY-KLEEN'S PARTS CLEANER, PAINT GUN CLEANER AND IMAGING SERVICES. The following paragraph B. 1 applies only where Safety-Kleen furnishes its Parts Cleaner, Paint Gun Cleaner or Imaging Services to Customer.

Customer acknowledges placement of the parts cleaner unit(s), immersion cleaner unit(s), paint gun cleaner unit(s), metallic replacement/compliance system(s) and/or electrolytic unit(s) set forth on the face of the Safety-Kleen Placement Form which was executed by Customer. Safety-Kleen agrees to service and maintain its equipment, and Customer agrees that all servicing, repair and maintenance of such equipment shall be performed only by Safety-Kleen. Except as provided below for on-site disposal of aqueous cleaning solutions, all Safety-Kleen equipment, solvents and aqueous cleaning solutions shall remain the property of Safety-Kleen and shall be returned to Safety-Kleen upon termination of service. Customer agrees to pay for replacement of such equipment due to loss or damage. All Customer-owned equipment shall be serviced by Safety-Kleen, but shall be maintained and repaired by and remain the property of Customer.

In the event Customer elects to dispose of aqueous cleaning solutions provided hereunder at Customer's site, title to such solutions shall pass to Customer upon such disposal. In such event, Customer (a) represents and warrants that such on-site disposal complies with all applicable laws, regulations and orders and (b) agrees to indemnify, hold harmless and defend Safety-Kleen from and against any and all claims, penalties, losses, damages, costs, expenses and other liabilities of whatever nature (including without limitation costs of defense, settlement and reasonable attorney, consultant or other professional fees and the reasonable costs of investigation, containment and cleanup and any remedial actions under the Comprehensive Environmental Response, Compensation and Liability Act of 1980 or comparable state superfund law), which Safety-Kleen may incur, become responsible for, or suffer by reason of such disposal of aqueous cleaning solutions provided hereunder at Customer's site.

C. PROVISIONS APPLICABLE TO SAFETY-KLEEN'S FLUID RECOVERY AND IMAGING SERVICES. The following two paragraphs C. 1-2 apply only where Safety-Kleen furnishes its Fluid Recovery or Imaging Services to Customer.

1. In accordance with the Waste Handling Agreement entered into between Customer and Safety-Kleen, which is incorporated herein by reference, Customer represents and warrants to Safety-Kleen that the waste materials (the "Waste Materials") tendered by Customer to Safety-Kleen will conform to the description of such Waste Materials contained in the Material Survey that was submitted by Customer for such Waste Materials and the Prequalification Evaluation which bears the SK Survey Number associated with that particular stream of Waste Materials. Customer also represents and agrees that the Waste Materials shall be handled in accordance with the terms of the Waste Handling Agreement.

2. If Safety-Kleen provides its Nonhazardous Fluid Recovery Service to Customer hereunder, Customer represents, warrants and certifies that the Waste Materials collected by Safety-Kleen (a) were produced in the same process that produced the waste materials described in said Material Survey/Prequalification Evaluation and (b) have not been mixed, combined or otherwise blended in any quantity with any material which would render the Waste Materials hazardous under applicable law, including without limitation 40 CFR Part 261.

D. PROVISIONS APPLICABLE TO SAFETY-KLEEN'S PAINT WASTE SERVICE. The following four paragraphs D. 1-4 apply only where Safety-Kleen furnishes its Paint Waste Service to Customer.

1. Safety-Kleen agrees to collect, transport, recycle and/or dispose of, in accordance with all applicable laws and regulations, all paint thinners, solvents and paints ("Paint Waste") generated by Customer and tendered to Safety-Kleen. Customer represents and warrants that all Paint Waste tendered by Customer to Safety-Kleen will conform to the DOT description of such waste contained on the face of this Service and Sales Acknowledgment.

2. Customer agrees that Paint Waste that is not pumpable or has six inches or more of settled solids will be subject to additional charges.

3. All storage equipment and containers provided by Safety-Kleen shall be and remain the property of Safety-Kleen, and, upon termination of service, shall be returned to Safety-Kleen in good repair and condition.

4. If Safety-Kleen provides its Nonhazardous Paint Waste Service to Customer hereunder, Customer represents, warrants and certifies that the Paint Waste collected by Safety-Kleen has not been mixed, combined or otherwise blended in any quantity with any material that would render the Paint Waste hazardous under applicable law, including without limitation 40 CFR Part 261. Customer further represents, warrants and certifies that such Paint Waste was produced in the same process that produced the Paint Waste that was: (a) sampled and analyzed by Safety-Kleen to qualify the waste stream for nonhazardous treatment; or (b) in the event Customer qualifies and has elected not to have its paint waste stream analyzed by Safety-Kleen, analyzed or otherwise investigated by Customer to support Customer's certification that such waste stream is nonhazardous.

E. PROVISIONS APPLICABLE TO SAFETY-KLEEN'S DRY CLEANING SERVICE. The following two paragraphs E. 1-2 apply only where Safety-Kleen furnishes its Dry Cleaning Service to Customer.

1. Safety-Kleen agrees to collect, transport, recycle and/or dispose of, in accordance with all applicable laws and regulations, all dry cleaning filter cartridges, filter powder and still residues containing perchloroethylene, petroleum naphtha or tetrachloroethane dry cleaning solvents ("Dry Cleaning Waste") generated by Customer and tendered to Safety-Kleen in accordance with all applicable laws and regulations. Customer agrees to store its Dry Cleaning Waste in containers provided by Safety-Kleen and agrees not to mix its different streams of Dry Cleaning Waste together or with other materials. Customer represents and warrants that all Dry Cleaning Waste tendered by Customer to Safety-Kleen will conform to the DOT description of such waste contained on the face of this Service and Sales Acknowledgment.

2. All storage equipment and containers provided by Safety-Kleen shall be and remain the property of Safety-Kleen, and, upon termination of service, shall be returned to Safety-Kleen in good repair and condition.

F. PROVISIONS APPLICABLE TO ALL SAFETY-KLEEN SERVICES. The following six paragraphs F. 1-6, apply to all Safety-Kleen Services:

1. Safety-Kleen agrees to indemnify, hold harmless and defend Customer from and against any and all claims, penalties, losses, damages, costs, expenses and other liabilities of whatever nature (including without limitation costs of defense, settlement and reasonable attorney, consultant or other professional fees and the reasonable costs of investigation, containment and cleanup and any remedial actions under Comprehensive Environmental Response, Compensation and Liability Act of 1980 or comparable state superfund law), which Customer may become responsible for, or suffer by reason of: (a) Safety-Kleen's breach of any representation, warranty, term or provision of this Agreement; (b) negligence, intentional misconduct or violation of law of Safety-Kleen, employees, agents, or subcontractors, in the performance of this Agreement.

Customer agrees to indemnify, hold harmless and defend Safety-Kleen from and against any and all claims, penalties, losses, damages, costs, expenses and other liabilities of whatever nature (including without limitation costs of defense, settlement and reasonable attorney, consultant or other professional fees and the reasonable costs of investigation, containment and cleanup and any remedial actions under Comprehensive Environmental Response, Compensation and Liability Act of 1980 or comparable state superfund law), which Safety-Kleen may become responsible for, or suffer by reason of: (a) Customer's breach of any representation, warranty, term or provision of this Agreement; (b) negligence, intentional misconduct or violation of law of Customer, employees, agents, or subcontractors in the performance of this Agreement.

In the event that any claims, penalties, losses, damages, costs, expense and other liabilities referred to above are contributed to by the breach, contract, negligence, intentional misconduct or violation of law of both Safety-Kleen and Customer, the parties agree that all such claim penalties, losses, damages, costs, expenses and other liabilities shall be apportioned among the parties on the basis of their comparative degree of fault.

2. Customer certifies that all materials tendered to Safety-Kleen are properly classified, described, packaged, marked and labeled and are in proper condition for transportation in accordance with applicable regulations of Department of Transportation.

3. Customer agrees that service hereunder will continue until Customer Safety-Kleen terminates service. If Customer is a party to a One or Two Year Service Agreement or Exclusive Service/Guaranteed Pricing Agreement with Safety-Kleen, the parties may only terminate service as provided in such agreement. If Customer is not a party to such an agreement, either party may terminate by furnishing the other party with sixty (60) days prior written notice thereof.

4. Customer shall pay Safety-Kleen according to Safety-Kleen's standard price schedules, which schedules are subject to change by Safety-Kleen from time to time without notice; provided, however, that in the event Customer has entered into Safety-Kleen's One or Two Year Service Agreement or Guaranteed Pricing/Exclusive Service Agreement, prices shall be as set forth in such agreement. Prices do not include any applicable sales tax. All amounts due Safety-Kleen are subject to an interest charge the lesser of 1 1/2% per month (18% per annum) or the maximum allowed by law on any unpaid invoices that are not paid within thirty (30) days.

5. If any legal action is commenced because of an alleged dispute, breach, default, or misrepresentation, the prevailing party shall be entitled to recover attorney's fees and costs (including costs of collection), in addition to any other relief to which it may be entitled.

6. In the event the credit card issuer refuses to accept the credit card used for this transaction set forth on the front of this document, Safety-Kleen is authorized to charge the amount of this transaction to Customer's Safety-Kleen account.

Safety-Kleen, its agents and contractors, have the capacity, and are authorized and permitted, in accordance with all applicable laws and regulations, to transport, accept, store, reclaim and/or dispose of the wastes listed on this document.

BEFORE USING SAFETY-KLEEN SOLVENTS, CLEANING SOLUTIONS OR EQUIPMENT, READ ALL APPLICABLE MATERIAL SAFETY DATA SHEETS (MSDS), LABELS, AND INSTRUCTIONS. IF YOU HAVE ANY QUESTIONS OR NEED ADDITIONAL INFORMATION, PLEASE CONTACT YOUR LOCAL SAFETY-KLEEN SERVICE CENTER OR CALL 1-800-669-5740.

A. PROVISIONS APPLICABLE TO SAFETY-KLEEN'S PARTS CLEANER AND PAINT-GUN CLEANER SERVICES. The following three paragraphs A. 1-3 apply only where Safety-Kleen furnishes its Parts Cleaner or Paint Gun Cleaner Services to Customer:

1. Safety-Kleen agrees to collect for reclamation from Customer the used solvent supplied by Safety-Kleen to parts or paint gun cleaner machine(s). Collection of the used solvent shall be on a periodic basis as otherwise provided herein. Safety-Kleen shall reclaim the used solvent for redelivery. Safety-Kleen has the capacity and is permitted to accept, store and/or reclaim the spent solvents provided to Customer hereunder. Safety-Kleen and Customer agree that this agreement is intended to satisfy the requirements of 49 Code of Federal Regulations 261.20(a), as amended, and any state regulations which implement said provision. Customer agrees to keep this form on file for 3 years from the date of last service.
2. Customer agrees that it will not introduce any substance into the solvent or aqueous cleaning solution, including without limitation any hazardous waste or hazardous waste constituent, except to the extent such introduction is incidental to the normal use of the machine. Customer further agrees that it will not clean parts/paint guns that have been contaminated with or otherwise introduce polychlorinated biphenyls (PCBs), herbicides, pesticides, dioxins or listed hazardous wastes into the solvent or aqueous cleaning solution.
3. If Safety-Kleen provides its Nonhazardous Parts Cleaner or Paint Gun Cleaner Services to Customer, Customer represents, warrants and certifies that the solvent or aqueous solution collected by Safety-Kleen hereunder has not been mixed, combined or otherwise blended in any quantity with any material that would render the solvent or aqueous cleaning solution hazardous under applicable law, including without limitation 40 CFR Part 261. Customer further represents, warrants and certifies that such solvent or aqueous cleaning solution was generated in the same process that generated the waste solvent or aqueous cleaning solution that was: (a) sampled and analyzed by Safety-Kleen to qualify the waste stream for nonhazardous treatment; or (b) in the event Customer qualifies and has elected not to have its waste solvent or aqueous cleaning solution analyzed by Safety-Kleen, analyzed or otherwise investigated by Customer to support Customer's certification that such waste stream is nonhazardous.

B. PROVISION APPLICABLE TO SAFETY-KLEEN'S PARTS CLEANER, PAINT GUN CLEANER AND IMAGING SERVICES. The following paragraph B. 1 applies only where Safety-Kleen furnishes its Parts Cleaner, Paint Gun Cleaner or Imaging Services to Customer:

1. Customer acknowledges placement of the parts bleamer unit(s), Immersion Cleaner unit(s), Paint Gun Cleaner unit(s), metallic replacement compliance system(s) and/or electrolytic unit(s) set forth on the face of the Safety-Kleen Placement Form which was executed by Customer. Safety-Kleen agrees to service and maintain its equipment, and Customer agrees that all servicing, repair and maintenance of such equipment shall be performed only by Safety-Kleen. Except as provided below for on-site disposal of aqueous cleaning solutions, all Safety-Kleen equipment, solvents and aqueous cleaning solutions shall remain the property of Safety-Kleen and shall be returned to Safety-Kleen upon termination of service. Customer agrees to pay for replacement of such equipment due to loss or damage. All Customer-owned equipment shall be serviced by Safety-Kleen, but shall be maintained and repaired by and remain the property of Customer. In the event Customer elects to dispose of aqueous cleaning solutions provided hereunder at Customer's site, title to such solutions shall pass to Customer upon such disposal. In such event, Customer represents and warrants that such on-site disposal complies with all applicable laws, regulations and orders and (b) agrees to, independently held, harmless, and defend Safety-Kleen from and against any and all claims, penalties, losses, damages, costs, expenses and other liabilities of whatever nature (including without limitation costs of defense, settlement and reasonable attorney, consultant or other professional fees and the reasonable costs of investigation, contamination and cleanup and any remedial actions under the Comprehensive Environmental Response, Compensation and Liability Act of 1980 or comparable state superfund law), which Safety-Kleen may incur, become responsible for, or suffer by reason of such disposal of aqueous cleaning solutions, provided hereunder at Customer's site.

C. PROVISIONS APPLICABLE TO SAFETY-KLEEN'S FLUID RECOVERY AND IMAGING SERVICES. The following two paragraphs C. 1-2 apply only where Safety-Kleen furnishes its Fluid Recovery or Imaging Services to Customer:

1. In accordance with the Waste Handling Agreement, and between Customer and Safety-Kleen, which is incorporated herein by reference, Customer represents and warrants to Safety-Kleen that the Waste Materials (the "Waste Materials") tendered by Customer to Safety-Kleen will conform to the description of such Waste Materials contained in the Material Survey that was submitted by Customer for such Waste Materials and the Prequalification Evaluation which bears the SK Survey Number associated with the particular stream of Waste Materials. Customer acknowledges and agrees that the Waste Materials shall be handled in accordance with the terms of the Waste Handling Agreement.
2. If Safety-Kleen provides its Nonhazardous Fluid Recovery Services to Customer hereunder, Customer represents, warrants and certifies that the Waste Materials collected by Safety-Kleen (a) were produced in the same process that produced the waste materials described in said Material Survey/Prequalification Evaluation and (b) have not been mixed, combined or otherwise blended in any quantity with any material which would render the Waste Materials hazardous under applicable law, including without limitation 40 CFR Part 261.

D. PROVISIONS APPLICABLE TO SAFETY-KLEEN'S PAINT WASTE SERVICE. The following four paragraphs D. 1-4 apply only where Safety-Kleen furnishes its Paint Waste Service to Customer:

1. Safety-Kleen agrees to collect, transport, recycle and/or dispose of, in accordance with all applicable laws and regulations, all paint thinners, solvents and paints ("Paint Waste") generated by Customer and tendered to Safety-Kleen. Customer represents and warrants that all Paint Waste tendered by Customer to Safety-Kleen will conform to the DOT description of such waste contained on the face of this Service and Sales Acknowledgment.
2. Customer agrees that Paint Waste that is not acceptable in six inch or more of settled solids will be subject to additional charges.
3. All storage equipment and containers provided by Safety-Kleen shall be and remain the property of Safety-Kleen, and upon termination of service, shall be returned to Safety-Kleen in good repair and condition. If Safety-Kleen provides its Nonhazardous Paint Waste Service to Customer hereunder, Customer represents, warrants and certifies that the Paint Waste collected by Safety-Kleen has not been mixed, combined or otherwise blended in any quantity with any material that would render the Paint Waste hazardous under applicable law, including without limitation 40 CFR Part 261. Customer further represents, warrants and certifies that such Paint Waste was produced in the same process that produced the Paint Waste that was: (a) sampled and analyzed by Safety-Kleen to qualify the waste stream for nonhazardous treatment; or (b) in the event Customer qualifies and has elected not to have its paint waste stream analyzed by Safety-Kleen, analyzed or otherwise investigated by Customer to support Customer's certification that such waste stream is nonhazardous.

E. PROVISIONS APPLICABLE TO SAFETY-KLEEN'S DRY CLEANING SERVICE. The following two paragraphs E. 1-2 apply only where Safety-Kleen furnishes its Dry Cleaning Service to Customer:

1. Safety-Kleen agrees to collect, transport, recycle and/or dispose of, in accordance with all applicable laws and regulations, all dry cleaning lint, carbonates, filter powder, and still residues containing perchloroethylene, petroleum naphtha, or trichloroethylene and cleaning solvents ("Dry Cleaning Waste") generated by Customer and tendered to Safety-Kleen in accordance with all applicable laws and regulations. Customer agrees to store its Dry Cleaning Waste in containers provided by Safety-Kleen, and agrees not to mix its different streams of Dry Cleaning Waste together or with other materials. Customer represents and warrants that all Dry Cleaning Waste tendered by Customer to Safety-Kleen will conform to the DOT description of such waste contained on the face of this Service and Sales Acknowledgment.
2. All storage equipment and containers provided by Safety-Kleen shall be and remain the property of Safety-Kleen, and upon termination of service, shall be returned to Safety-Kleen in good repair and condition.

All storage equipment and containers provided by Safety-Kleen shall be and remain the property of Safety-Kleen, and upon termination of service, shall be returned to Safety-Kleen in good repair and condition.

F. PROVISIONS APPLICABLE TO ALL SAFETY-KLEEN SERVICES. The following six paragraphs F. 1-6 apply to all Safety-Kleen Services:

1. Safety-Kleen agrees to indemnify, hold harmless and defend Customer from and against any and all claims, penalties, losses, damages, or expenses and other liabilities of whatever nature (including without limitation costs of defense, settlement and reasonable attorney, consultant or other professional fees and the reasonable costs of investigation, contamination and cleanup and any remedial actions under the Comprehensive Environmental Response, Compensation and Liability Act of 1980 or comparable state superfund law), which Customer may become responsible for, or suffer by reason of: (a) Safety-Kleen's breach any representation, warranty, term or provision of this Agreement or (b) negligence, intentional misconduct or violation of law of Safety-Kleen employees, agents, or subcontractors in the performance of Agreement. Customer agrees to indemnify, hold harmless and defend Safety-Kleen from and against any and all claims, penalties, losses, damages, or expenses and other liabilities of whatever nature (including without limitation costs of defense, settlement and reasonable attorney, consultant or other professional fees and the reasonable costs of investigation, contamination and cleanup and any remedial actions under the Comprehensive Environmental Response, Compensation and Liability Act of 1980 or comparable state superfund law), which Safety-Kleen may become responsible for, or suffer by reason of: (a) Customer's breach any representation, warranty, term or provision of this Agreement (b) negligence, intentional misconduct or violation of law of Customer employees, agents, or subcontractors in the performance of Agreement. In the event that any claims, penalties, losses, damages, costs, expense and other liabilities referred to above are contributed to by the breach, contract, negligence, intentional misconduct or violation of law, of Safety-Kleen and Customer, the parties agree that all such claims, penalties, losses, damages, costs, expenses and other liabilities shall be apportioned among the parties on the basis of their comparative degree of fault.
2. Customer certifies that all materials tendered to Safety-Kleen are properly classified, described, packaged, marked and labeled and are in proper condition for transportation in accordance with applicable regulations to Department of Transportation.
3. Customer agrees that service hereunder will continue until Customer or Safety-Kleen terminates service. If Customer is a party to a One or Two Year Service Agreement or Exclusive Service/Guaranteed Pricing Agreement with Safety-Kleen, the parties may only terminate service as provided in such agreement. If Customer is not a party to such an agreement, either party may terminate by furnishing the other party with sixty (60) days prior written notice thereof.
4. Customer shall pay Safety-Kleen according to Safety-Kleen's standard price schedules, which schedules are subject to change by Safety-Kleen from time to time without notice, provided, however, that in the event Customer has entered into Safety-Kleen's One or Two Year Service Agreement or Guaranteed Pricing/Exclusive Service Agreement, prices shall be as set forth in such agreement. Prices do not include any applicable sales tax. All amounts due Safety-Kleen are subject to an interest charge at the lesser of 1 1/2% per month (18% per annum) or the maximum allowed by law on any unpaid invoices that are not paid within 15 days.
5. If any legal action is commenced because of an alleged dispute, the default, or misrepresentation, the prevailing party shall be entitled to recover attorney's fees and costs (including costs of collection) and to any other relief to which it may be entitled.
6. In the event the credit card issuer refuses to accept the credit card for this transaction set forth on the front of this document, Safety-Kleen is authorized to charge the amount of this transaction to Customer's Safety-Kleen account.

UHC NOTICE: GENERATOR IS NOT REQUIRED TO LIST UNDERLYING CONSTITUENTS BECAUSE TREATER WILL MONITOR FOR ALL REGULATED CONSTITUENTS PRIOR TO DISPOSAL.

TO: SAFETY-KLEEN CORP. (DESIGNATED FACILITY)

EPA ID NO. CA1000613892 (DESIGNATED FACILITY)

ADDRESS: 19424 Hutton St. Unit A El Monte CA 91731

Under manifest/sales service number 98218784 the generator noted below is shipping to you a waste determined to be restricted under 40 CFR Part 268. In accordance with 40 CFR Part 268.7, the generator hereby provides notice that the waste is restricted from land disposal. A copy of this form must be kept by the generator and facility for five (5) years from the date of waste shipment.

DESCRIPTION:

THANK YOU FOR THE MESSAGE REGARDING YOUR ASSISTANCE IN WASTE REDUCTION. I AM CURRENTLY RECYCLING ALMOST EVERYTHING. I WOULD BE CALLING YOU IN ABOUT TWO MONTHS REGARDING ULTRAFILTRATION UNIT FOR AQUEOUS PARTS CLEANER.

PLEASE PROVIDE ME WITH WASTE PROFILE FOR THE FOLLOWING MANIFEST #98218784. I WOULD LIKE TO SEE THE BASIS FOR D006 AND D039 CODES.

THANK YOU.
