The teleconference hearing will begin at the same time on the same date.

The teleconference hearing will be recorded electronically and the AHO will post audio-only and audio-plus-video files of the hearing on the AHO-FTP site after the hearing. To facilitate a clear understanding of who is speaking, the hearing officer will ask each person to identify himself or herself as necessary during the teleconference hearing.

NOTICE OF AVAILABILITY OF ADMINISTRATIVE HEARINGS OFFICE FTP SITES

The Administrative Hearings Office (AHO) has created two File Transfer Protocol (FTP) sites for the purposes of making AHO Administrative Record files available to the public and allowing parties to transmit files to the AHO.

The two FTP sites can be accessed at <https://ftp.waterboards.ca.gov/> and are described here:

(1) Username: AHO-FTP

Anyone may download from this FTP site the Administrative Record documents that the AHO has uploaded for the pending proceedings listed on the AHO website. Only AHO personnel may upload files to this FTP site. The AHO's normal practice will be to post on this FTP site all Administrative Record documents for each pending proceeding. These documents will include documents AHO personnel have copied from the Division of Water Rights Records Unit's public files and exhibits and exhibit indices filed by parties to pending proceedings. The AHO will post these latter types of documents promptly after each filing deadline for such documents.

(2) Username: AHO-FTP2

Any party to a proceeding pending before the AHO may upload documents for the proceeding (primarily exhibits and exhibit identification lists) to this FTP site. No one besides AHO personnel may download or delete any files from this FTP site. The AHO will send supplemental hearing notices to parties to proceedings pending before the AHO, advising them of the new protocols for uploading exhibits and exhibit identification lists to this FTP site instead of serving them on the other parties.

To obtain authorization to access either of these FTP sites, please submit an email request to the AHO at EXEC-AdminHrgOffice@Waterboards.ca.gov with "Request for AHO ftp password" in the subject line. After receiving your e-mail request, the AHO will provide you with a password to access these FTP sites. It is not necessary to include other parties in the cc line for these e-mail requests.
