SUBJECT OF HEARING

The purpose of this hearing is for the State Water Resources Control Board (SWRCB) to receive evidence relevant to determining whether to adopt Cease and Desist Order No. 262.31-11 against Redwood Valley Water District (Redwood) with the statements of facts and information set forth in the draft orders. Originally, this hearing was noticed on December 17, 2004, for cease and desist orders against both Redwood and Mendocino County Russian River Flood Control and Water Conservation Improvement District (Mendocino). As a result of negotiations with the SWRCB Enforcement Team, Mendocino has agreed to accept a revised Cease and Desist Order and to waive its right to a hearing on the revised Cease and Desist Order. Accordingly, this hearing will go forward only on the Cease and Desist Order against Redwood.

BACKGROUND

Water Code section 1831, subdivision (a), provides that when the SWRCB determines that any person is violating, or threatening to violate, any requirement described in subdivision (d) of section 1831, the Board may issue an order to that person to cease and desist from that violation. The SWRCB may issue a cease and desist order only after notice and an opportunity for hearing. Such notice shall be by personal notice or by certified mail, and shall inform the person allegedly engaged in the violation (respondent) that he or she may request a hearing within 20 days after the date of receiving the notice. The notice shall contain a statement of facts and information

California Environmental Protection Agency

showing the violation. Unless the SWRCB receives a timely written request for a hearing, the SWRCB may adopt a cease and desist order without a hearing. In the case of the proposed cease and desist order to be considered in this hearing, the respondent requested a hearing.

Redwood Valley County Water District

The proposed cease and desist order against Redwood alleges that Redwood is violating or threatening to violate certain terms and conditions of Permit 17593 and is violating or threatening to violate the prohibition in Water Code section 1052 against the unauthorized diversion or use of water.

The SWRCB issued Permit 17593 (A024955) to Redwood Valley County Water District in 1979. Permit 17593 authorizes the diversion of water from the East Fork Russian River by direct diversion of: (1) 1.9 cubic feet per second (cfs) from November 1 to April 30 of each year for domestic purposes; (2) 26.6 cfs from March 1 to April 30 of each year for frost protection purposes; and (3) diversion to offstream storage of 2800 acre-feet per annum, to be collected from November 1 to April 30 of each year for irrigation, frost protection, and domestic purposes. The total amount of water taken for all uses shall not exceed 4900 acre-feet from October 1 of each year to September 30 of the subsequent year.

Redwood's permit requires that construction be completed on or before December 1, 1982. The permit authorizes Redwood to make diversions only during times when the water level in Lake Mendocino cannot be increased due to requirements to preserve space in Lake Mendocino for flood control. The permit goes on to state that Redwood may not divert water when the surface level of the water in Lake Mendocino is above the conservation pool during the period from October 1 through April 30.

In Decision 1610, issued in 1986, the SWRCB approved a petition to add Redwood Valley Water District to the place of use of Permit 12947A, held by Sonoma County Water Agency. The petition was approved subject to a number of conditions, including conditions prohibiting or limiting diversions to Redwood when critical or dry conditions occur on the Eel River as determined by inflow to Lake Pillsbury and when storage levels in Lake Mendocino fall below certain levels.

Lastly, in Order 79-15, the SWRCB approved the addition of Redwood Valley County Water District to the place of use authorized under Permit 12947B, held by Mendocino County Russian River Flood Control and Water Conservation Improvement District (Mendocino), providing an interim supply of water to Redwood until the 8,000 acre-feet allocation to Mendocino under that permit is fully used. Mendocino did not add Redwood to its district boundaries.

On October 26, 2004, the Division Chief issued Cease and Desist Order No. 262.31-11 pursuant to Permit 17593. The draft cease and desist order contains in substance the following allegations:

Redwood has not constructed the storage reservoir authorized under Permit 17593, nor has it contracted to store water in existing local reservoirs. The draft cease and desist order also alleges that Redwood has served water to areas outside the authorized place of use through annexation of land and that Redwood may be making unauthorized diversions of water for irrigation by directly diverting water in the months of November and April during dry years. The draft cease and desist order alleges that Redwood diverted water in violation of Permit Terms 16 and 17-A-1 of its permit by diverting water when the elevation of water in Lake Mendocino was below the conservation pool a total of 91 days from November 1 to April 30 during the 1999-2000 and 2000-2001 water years. Redwood also diverted water for domestic and irrigation use outside of its permitted season.

By letter dated October 28, 2004, through their attorney, Redwood submitted a request for a hearing.

KEY ISSUES

- 1.)
 - a. **Should the SWRCB adopt a Cease and Desist Order - with the statements of facts, information, and corrective actions set forth in the draft Order against Redwood Valley County Water District?**
 - b. **Should the SWRCB adopt a Cease and Desist Order - with modifications to the statements of facts, information, and corrective actions set forth in the draft Order against Redwood Valley County Water District?**

INFORMATION CONCERNING APPEARANCE AT WATER RIGHT HEARINGS

The following procedural requirements will apply and will be strictly enforced for purposes of the above-mentioned hearing.

1. **HEARING PROCEDURES GENERALLY:** The hearing will be conducted in accordance with the procedures for hearings set forth at California Code of Regulations, title 23, sections 648-649.6 and 760, as they currently exist or may be amended. A copy of the current regulations and the underlying statutes governing adjudicative proceedings before the SWRCB is available upon request or may be viewed at the SWRCB's web site: http://www.waterboards.ca.gov/water_laws/index.html

Each party has the right to call and examine witnesses, introduce exhibits, cross-examine opposing witnesses on any matter relevant to the issues even if that matter was not covered in the direct examination, impeach any witness, rebut adverse evidence, and subpoena, call and examine an adverse party or witness as if under cross-examination. The hearing officer may extend these rights to a non-party participant or may limit the participation of a non-party participant.

Any requests for exceptions to the procedural requirements specified in this notice shall be filed in writing. To provide time for other participants to respond, the hearing officer will rule on procedural requests filed in writing no sooner than fifteen days after receiving the request, unless an earlier ruling is necessary to avoid disrupting the hearing.

2. **PARTIES:** The parties are Redwood Valley County Water District and the Division of Water Rights' Enforcement Team, and any other persons or entities authorized by the hearing officer to participate in the hearing as parties. Only parties and other participants who are authorized by the hearing officer will be allowed to present evidence. A person or entity that appears and presents only a policy statement will not be allowed to participate in other parts of the hearing. The rules for policy statements are discussed below.
3. **NOTICE OF INTENT TO APPEAR:** Participants in this hearing must file two copies of a Notice of Intent to Appear, which must be **received** by the SWRCB no later than **noon on Thursday, December 30, 2004**. Failure to submit a Notice of Intent to Appear and exhibits in a timely manner may be interpreted by the SWRCB as intent not to appear.

The Notice of Intent to Appear must state: (1) the name and address of the participant, (2) the name of each witness who will testify on the participant's behalf, (3) a brief description of the proposed testimony, and (4) an estimate of the time (not to exceed 20 minutes) that the witness will need to present a brief oral summary of the witness' testimony. The witness' testimony must be submitted in writing as described in Section 4 below. Participants who do not intend to present a case-in-chief but who may wish to cross-examine witnesses or present rebuttal should so indicate on the Notice of Intent to Appear.

Participants who decide not to present a case-in-chief after having submitted a Notice of Intent to Appear should notify the SWRCB and the other participants as soon as possible.

In order to expedite the exchange of information and lower the cost of participating in the hearing, the SWRCB encourages participants to submit written policy statements, written opening statements, written testimony, exhibits, and Exhibit Identification Indexes to the SWRCB in electronic form. In addition, participants may exchange the foregoing documents in electronic form. Hearing participants are not required to submit these documents in electronic form or accept electronic service; however, those who choose to submit these documents electronically must comply with the requirements described in section 5, below. If you are willing to accept electronic media service in lieu of receiving hard copies of items, please check the appropriate box on the Notice of Intent to Appear.

The SWRCB will mail a service list of parties to exchange information to each hearing party who has submitted a Notice of Intent to Appear. Hearing participants who intend to make only policy statements are not required to exchange information and will not receive testimony or exhibits from the parties. The service list will indicate which participants agreed to accept electronic service. No later than **noon on Thursday, January 13, 2005**, each participant shall serve a copy of its Notice of Intent to Appear on each of the participants identified on the service list and shall also serve on the SWRCB and the participants on the service list a statement of service that indicates the manner of service. If there is any change in the hearing schedule, only those persons or entities that have filed a Notice of Intent to Appear will be informed of the change.

4. **WRITTEN TESTIMONY AND OTHER EXHIBITS:** Exhibits include written testimony, statements of qualifications of expert witnesses, and other documents to be used as evidence. Each participant proposing to present testimony on factual or other evidentiary matters at the hearing shall submit such testimony in writing.¹ Written testimony shall be designated as an exhibit, and must be submitted with the other exhibits. Oral testimony that goes beyond the scope of the written testimony may be excluded. A participant who proposes to offer expert testimony must submit an exhibit containing a statement of the expert witness's qualifications.

Each participant shall submit to the SWRCB either: five paper copies of each of its exhibits or three paper copies and one electronic copy of each of its exhibits. Each participant shall also serve a copy of each exhibit on every participant on the service list. Participants may serve those parties who agree to electronic service with an electronic copy of exhibits. Participants must serve paper copies of exhibits on those participants who do not agree to electronic service.

With its exhibits, each participant must submit to the SWRCB and serve on the other participants a completed Exhibit Identification Index. If possible, each participant should submit to the SWRCB and serve on the other participants an electronic copy, as well as a

¹ The hearing officer may make an exception to this rule if the witness is adverse to the participant presenting the testimony and is willing to testify only in response to a subpoena or alternative arrangement. In such a case, the hearing officer may allow presentation of the oral direct testimony without requiring written testimony.

paper copy of the Exhibit Identification Index. Please see Section 5 for details regarding electronic submissions.

A statement of service with manner of service indicated shall be filed with each participant's exhibits. The exhibits and indexes for this hearing, and a statement of service, must be received by the SWRCB by **noon on Thursday, January 13, 2005**, and served on the other participants on or before that date.

The following requirements apply to exhibits:

- a. Exhibits based on technical studies or models shall be accompanied by sufficient information to clearly identify and explain the logic, assumptions, development, and operation of the studies or models.
 - b. The hearing officer has discretion to receive in evidence by reference relevant, otherwise admissible, public records of the SWRCB and documents or other evidence that have been prepared and published by a public agency, provided that the original or a copy was in the possession of the SWRCB before the notice of the hearing is issued. (Cal. Code Regs., tit. 23, § 648.3.) A participant offering an exhibit by reference shall advise the other participants and the SWRCB of the titles of the documents, the particular portions, including page and paragraph numbers, on which the participant relies, the nature of the contents, the purpose for which the exhibit will be used when offered in evidence, and the specific file folder or other exact location in the SWRCB's files where the document may be found.
 - c. A participant seeking to enter in evidence as an exhibit a voluminous document or database may so advise the other participants prior to the filing date for exhibits, and may ask them to respond if they wish to have a copy of the exhibit. If a participant waives the opportunity to obtain a copy of the exhibit, the participant sponsoring the exhibit will not be required to provide a copy to the waiving participant. Additionally, such exhibits may be submitted to the SWRCB in electronic form, using a file format readable by Microsoft Office 2000 software.
 - d. Exhibits that rely on unpublished technical documents will be excluded unless the unpublished technical documents are admitted as exhibits.
5. **ELECTRONIC SUBMISSIONS:** Participants are encouraged to submit the following documents to the SWRCB in electronic form: written opening statements, written policy statements, written testimony, exhibits, and Exhibit Identification Indexes. In addition, the foregoing documents may be served electronically on those participants who have agreed to accept electronic service. Paper copies of all other documents must be submitted to the SWRCB and served on the other parties, unless the hearing officer specifies otherwise.

Any documents submitted or served electronically must be in Adobe™ Portable Document Format (PDF), except for Exhibit Identification Indexes, which must be in a version supported by Microsoft Excel 2000 (preferred) or Word 2000. Electronic submittals to the SWRCB of documents less than 5 megabytes in size may be sent via electronic mail to: WrHearing@waterboards.ca.gov with a subject of "East Fork Russian River". Electronic submittals to the SWRCB of documents greater than 5 megabytes in size should

be sent by regular mail in PDF format on compact disk (CD™) media. Electronic service on participants shall be in the same format as submittals to the SWRCB, and should be submitted to the other participants by mail on CD.

Participants who agree to electronic service may request that specific documents be provided to them in paper copy. Requests should be made to the participant who submitted the document, not to the SWRCB. Participants who receive such a request shall provide a paper copy of the requested document within five days of the date the request is received. The SWRCB will post a list of all exhibits submitted for the hearing on its website at <http://www.waterrights.ca.gov/hearings>.

6. **ORDER OF PROCEEDING:** The SWRCB members serving as hearing officer will follow the Order of Proceedings specified in California Code of Regulations, title 23, section 648.5. Participants should take note of the following additional information regarding the major hearing events.

a. **Policy Statements:** Pursuant to California Code of Regulations, title 23, section 648.1, subdivision (d), the SWRCB will provide an opportunity for presentation of nonevidentiary policy statements or comments by interested persons who are not participating in the hearing. Policy statements will be heard at the start of the hearing, immediately after the hearing officer identifies the parties and other participants. Policy statements are subject to the following provisions in addition to the regulation:

- i. Policy statements are not subject to the prehearing requirements noted above for testimony or exhibits, except that persons wishing to make policy statements are requested to file a Notice of Intent to Appear, indicating clearly an intent to make only a policy statement.
- ii. The SWRCB requests that policy statements be provided in writing before they are presented. Please see Section 5, above, for details regarding electronic submittal of policy statements. Oral summaries of the policy statements will be limited to five minutes or such other time as established by the hearing officer.

b. **Presentation of Cases-In-Chief:** Each participant may present a case-in-chief addressing the key issues identified in the hearing notice. The case-in-chief will consist of any opening statement provided by the participant, oral testimony, introduction of exhibits, and cross-examination of the participant's witnesses. The hearing officer may allow redirect examination and recross examination. The hearing officer will decide whether to accept the participant's exhibits in evidence upon a motion of the participant after the case-in-chief has been completed.

- i. **Opening Statements:** At the beginning of a case-in-chief, the participant or the participant's attorney may make an opening statement briefly and concisely stating the objectives of the case-in-chief, the major points that the proposed evidence is intended to establish, and the relationship between the major points and the key issues. Oral opening statements will be limited to 20 minutes per participant. A participant may submit a written opening statement. Please see section 5, above, for details regarding electronic submittal of written opening statements. Any

policy-oriented statements by a participant should be included in the participant's opening statement.

- ii. **Oral Testimony:** All witnesses presenting testimony shall appear at the hearing. Before testifying, witnesses shall swear or affirm that the written and oral testimony they will present is true and correct. Written testimony shall not be read into the record. Written testimony affirmed by the witness is direct testimony. Witnesses will be allowed up to 20 minutes to summarize or emphasize their written testimony on direct examination.² Each participant will be allowed up to two hours total to present all of its direct testimony.³
- iii. **Cross-Examination:** Cross-examination of a witness will be permitted on the party's written submittals, the witness' oral testimony, and other relevant matters. If a participant presents multiple witnesses, the hearing officer will decide whether the participant's witnesses will be cross-examined as a panel. Cross-examiners initially will be limited to one hour per witness or panel of witnesses. The hearing officer has discretion to allow additional time for cross-examination if there is good cause demonstrated in an offer of proof. Any redirect examination and recross examination permitted by the hearing officer will be limited to the scope of the cross-examination and the redirect examination, respectively. Witnesses may be cross-examined on relevant subjects that are not covered in the direct testimony. (Gov. Code, § 11513, subd. (b).) Ordinarily, only a participant or the participant's representative will be permitted to examine a witness, but the hearing officer may allow a participant to designate a person technically qualified in the subject being considered to examine a witness. SWRCB members and the SWRCB's counsel may ask questions at any time, and the SWRCB members and staff may cross-examine any witness.
- c. **Rebuttal:** After all participants have presented their cases-in-chief and their witnesses have been cross-examined, the hearing officer will allow participants to present rebuttal evidence. Rebuttal evidence is new evidence used to rebut evidence presented in another participant's case-in-chief. Rebuttal testimony and exhibits need not be submitted prior to the hearing. Rebuttal evidence is limited to evidence that is responsive to evidence presented in a case-in-chief, and it does not include evidence that should have been presented during the presenter's case-in-chief. It also does not include repetitive evidence. Cross-examination of rebuttal evidence will be limited to the scope of the rebuttal evidence.
- d. **Closing Statements and Legal Arguments:** At the close of the hearing or at other times if appropriate, the hearing officer may allow oral arguments or set a schedule for filing briefs or closing statements. If the hearing officer authorizes the participants to file briefs, four copies of each brief shall be submitted to the SWRCB, and one copy shall be served on each of the other participants on the service list. A participant shall

² The hearing officer may allow additional time for the oral direct testimony of the witness if the witness is adverse to the participant presenting the testimony and the hearing officer is satisfied that the participant could not produce written direct testimony for the witness.

³ The hearing officer may, for good cause, approve a party's request to use more than two hours total to present direct testimony during the party's case-in-chief.

not attach a document of an evidentiary nature to a brief unless the document is at the time in the evidentiary hearing record or is the subject of an offer of the document in evidence. Every participant filing a brief shall file a statement of service with the brief, indicating the manner of service.

- e. **Large Format Exhibits:** Participants submitting large format exhibits such as maps, charts, and other graphics shall provide the original for the hearing record in a form that can be folded to 8 ½ x 11 inches. Alternatively, participants may supply, for the hearing record, a reduced copy of a large format original if it is readable.
7. **EX PARTE CONTACTS:** During the pendency of this proceeding, commencing no later than the issuance of the Notice of Hearing, there will be no *ex parte* communications between SWRCB members or SWRCB hearing team staff and any of the participants regarding substantive issues within the scope of the proceeding. (Gov. Code, §§ 11430.10-11430.80.) Communications regarding non-controversial procedural matters are permissible, but ordinarily should be directed to SWRCB staff on the hearing team, not SWRCB members. (Gov. Code, § 11430.20, subd. (b).)
8. **RULES OF EVIDENCE:** Evidence will be admitted in accordance with Government Code section 11513. Hearsay evidence may be used to supplement or explain other evidence, but over timely objection shall not be sufficient in itself to support a finding unless it would be admissible over objection in a civil action.
9. **SUBMITTALS TO THE SWRCB:** Notices of Intent to Appear, written testimony and other exhibits submitted to the SWRCB should be addressed as follows:
