

**STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 2023-0027**

**ADOPTION OF THE STATE FISCAL YEAR 2023-24 CLEAN WATER STATE
REVOLVING FUND INTENDED USE PLAN WITH SUPPLEMENTAL IUP AND
GUIDELINES FOR COMPLEMENTARY FUNDING FROM THE BUDGET ACTS OF
2021, 2022, AND 2023 AND PROPOSITIONS 1 AND 68**

WHEREAS:

1. The Division of Financial Assistance (DFA) prepared a draft state fiscal year (SFY) 2023-24 Clean Water State Revolving Fund (CWSRF) Intended Use Plan (IUP) in compliance with federal rules and solicited public comment on the document;
2. States must submit a CWSRF IUP to the United States Environmental Protection Agency (USEPA) annually. A current copy of the CWSRF IUP must be included in this year's capitalization grant application for the CWSRF grant;
3. The federal "Bipartisan Infrastructure Law" (BIL), Public Law 117-58, made funds available to state CWSRF programs, including funds for a general supplemental capitalization grant and an emerging contaminants capitalization grant. The State Water Board must provide IUPs to USEPA as part of its applications for these supplemental BIL capitalization grants;
4. The CWSRF IUP describes DFA's plans for the general supplemental and emerging contaminants capitalization grant funds. The Emerging Contaminants (EC) Supplemental IUP, included as an appendix to the CWSRF IUP, further explains the State Water Board's plans for the supplemental EC funds;
5. The SFY 2023-24 CWSRF IUP also serves as guidelines for the Proposition 1 and Proposition 68 wastewater funds, as well as for the infrastructure funding provided by the Budget Acts of 2021, 2022, and 2023; and
6. DFA conducted a public workshop and provided stakeholders and interested parties an opportunity to comment on the draft SFY 2023-24 CWSRF IUP along with the supplemental IUP.

THEREFORE BE IT RESOLVED THAT:

The State Water Board:

1. Adopts the SFY 2023-24 CWSRF IUP, which includes the Emerging Contaminants Supplemental IUP, and revised guidelines for Proposition 1, Proposition 68 and Budget Acts of 2021, 2022 and 2023 appropriations.

CERTIFICATION

The undersigned Clerk to the Board does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on September 6, 2023.
