

EMPLOYEE RECOGNITION AWARD

JULY 2023

EMPLOYEE: Carlos Cervantez

UNIT: Title 27, Fresno Office

TITLE: Engineering Geologist

SUPERVISOR: Kristen S. Gomes, Sr. Engineering Geologist

Carlos is receiving this award for his work in the T27 Unit. Carlos wrote several Notices of Applicability for enrollment under various general orders and conducted numerous inspections. He is also helping to fill in for long-term staff absences and is overseeing a couple different landfill expansion and construction projects. He reviewed and provided technical comments on a conceptual site model and determined the adequacy of an evaluation monitoring program and corrective action program. He also completed the Water Quality Threat Prioritization for the Williams Brothers Mines, which involved collaborating with external agencies. He always has a great attitude and is willing to help where needed. Carlos is an asset to the T27 Unit.
