## State Water Resources Control Board

# Public Stakeholder Webinar to Support the Development of Water Loss Performance Standards

May 13, 2020, 10 a.m. to 2:30 p.m.

State Water Board Workshop

Video and Teleconference Meeting Only - No Physical Meeting Location

## AGENDA

The objective of this public webinar is to provide a detailed overview and an opportunity for stakeholders to provide input on the latest proposed regulatory framework and draft economic model to calculate volumetric performance standards for water loss. Staff have revised the proposed framework and model in response to comments provided by stakeholders on previous draft versions.
