FRESNO –The Central Valley Regional Water Quality Control Board assistant executive officer has issued an Administrative Civil Liability order of \$18,000 against Lamoure’s Inc., a Fresno dry cleaning establishment.

The order was issued for a violation of a Water Board Cleanup and Abatement Order, which required Lamoure’s to submit a work plan for assessment of soil and groundwater at the company’s facility at 1304 G St., in Fresno.

In a settlement agreement, in addition to the penalty Lamoure’s also agreed to provide the required work plan within 60 days from the issue date of the ACL.

Settlement of this enforcement action does not relieve Lamoure’s Inc. from any obligation, liability, or debt to the Water Board’s Cost Recovery Program.
