	)	<b>PROPOSED ORDER</b>
	)	

**Section I: INTRODUCTION**

1. This Settlement Agreement and Stipulation for Entry of Administrative Civil Liability Order (Order, Stipulation, or Stipulation and Order) is entered into by and between the State Water Resources Control Board (State Water Board), on behalf of the Underground Storage Tank Cleanup Fund (Cleanup Fund), and Applied Engineering and Geology, Inc. (AEG) and its principal Earl Robert Stephens (Settling Respondents) (collectively Parties), and is presented to the State Water Board, or its delegee, for adoption as an Order by settlement, pursuant to Government Code section 11415.60. This Stipulation resolves the violations alleged herein by the imposition of administrative civil liability against AEG in the amount of \$200,000.

**Section II: RECITALS**

2. On January 25, 2013, the Office of Enforcement's Fraud, Waste, and Abuse Prevention Unit issued a request for information to AEG. The request notified AEG that the Fraud, Waste, and Abuse Prevention Unit was in the process of conducting an audit of invoices submitted, either directly or through claimants, by AEG to the Cleanup Fund.

3. The audit focused on alleged misrepresentations AEG made to the Cleanup Fund including equipment that was never present on-site and overcharges for work performed by an affiliated company.

4. The audit identified misrepresentations made to the Cleanup Fund related to alleged unreasonable and unnecessary costs for AEG's professional services for conducting corrective action for cleaning up of releases from petroleum underground storage tanks.

5. On September 25, 2014, Senate Bill 445 amended the Health and Safety Code, adding section 252 99.80 that allows the State Water Board to impose civil liability administratively for misrepresentations made to the Cleanup Fund.

6. After an initial review of the invoices/reimbursement requests AEG submitted to the Cleanup Fund, either directly or through claimants, and subsequent response to the audit, the Fraud, Waste, and Abuse Prevention Unit determined that several alleged misrepresentations occurred after September 25, 2014, when Senate Bill 445 came into effect.

7. Prior to a complaint being issued, AEG re-engaged with the Fraud, Waste, and Abuse Prevention Unit to discuss resolution of any and all alleged violations or misrepresentations.

8. The Parties have engaged in settlement negotiations and agree to fully settle the alleged violations for TWO HUNDRED THOUSAND DOLLARS (\$200,000.00) without administrative or civil litigation and by presenting this Stipulation to the State Water Board, or its delegee, for adoption as an Order by settlement, pursuant to Government Code section 11415.60 and Health and Safety Code section 25299.80.

9. The Cleanup Fund believes that the resolution of the alleged matter set forth herein is fair and reasonable and fulfills all of its enforcement objectives, that no further action is warranted concerning invoices AEG submitted to the Cleanup Fund, either directly or through claimants, except as provided in this Stipulation, and that this Stipulation is in the best interest of the public.

### **Section III: STIPULATIONS**

The Parties stipulate to the following:

The memo line of the check shall reference *UST Cleanup Fund*. This also includes, but is not limited to, investigation, corrective action, and associated work, including preparation of reimbursement requests.

- c. Settling Respondents agree that as of December 15, 2015, AEG and its principal may no longer own in whole or in part any entity, or consult or provide contract services that performs work or provides services on any project that seeks payment or reimbursement from the State Water Board's Cleanup Fund and/or by the Cleanup and Abatement Account Program, including, but not limited to any entity providing services that may be considered for reimbursement from the Cleanup Fund and the Cleanup and Abatement Account.
- d. Settling Respondents agree that they will provide written notice to all person(s) and entities that it currently or proposes to work for and/or provide services to of this agreement, specifically terms 11(a) through (c). This requirement shall be effective as of the date of execution of the attached Order.
- e. The State Water Board's Cleanup Fund agrees to review reimbursement requests and reimburse AEG's Claimants for reasonable and necessary work performed on sites listed in Attachment A for work performed between October 1, 2014, and December 31, 2015. These reimbursement requests will be paid within 90 days after execution of the Order by the State Water Board.
- f. Settling Respondents agree to waive all rights to appeal any and all determinations of eligibility made by the Cleanup Fund with respect to reimbursement of costs and work performed at the sites listed in Attachment A. Costs include, but are not limited to equipment and subcontractor charges.

This

includes, but is not limited to, work performed by a third party or subcontractor.

- h. Outside of those reimbursement requests set forth in section 11(e), Settling Respondents are not entitled to any further payment based upon any reimbursement request submitted to the State Water Board's Cleanup Fund, whether submitted and not yet processed by the State Water Board, submitted but pending appeal before the State Water Board, submitted but determined ineligible, or for work completed but not yet submitted or appeals not yet submitted.
- i. Nothing in this Stipulation limits or prohibits the State Water Board from taking civil, criminal and/or administrative enforcement against AEG, its principal, and/or its Claimants for actions that occur and/or are related to activity after the date of entry of the Order.

12. **State Water Board is Not Liable:** Neither the State Water Board members nor the State Water Board staff, attorneys, or representatives shall be liable for any injury or damage to persons or property resulting from acts or omissions by Settling Respondent, its directors, officers, employees, agents, representatives or contractors in carrying out activities pursuant to this Stipulation and Order, nor shall the State Water Board, its members or staff be held as parties to or guarantors of any contract entered into by Settling Respondent, its directors, officers, employees, agents, representatives or contractors in carrying out activities pursuant to this Stipulation and Order.

No oral advice, guidance, suggestions or comments by employees or officials of the State Water Board regarding submissions or notices shall be construed to relieve the Settling Respondents of their obligation to obtain any final written approval required by this Order.

14. **Compliance with Applicable Laws:** Settling Respondents understand that payment of administrative civil liability in accordance with the terms of this Stipulation and Order and/or compliance with the terms of this Stipulation and Order is not a substitute for compliance with applicable laws, and that continuing violations of the type alleged herein may subject it to further enforcement, including additional administrative civil liability.
