

Proposition 1 Groundwater Grant Program (GWGP) Guidelines (Guidelines)

This is a message from the State Water Resources Control Board

To All Interested Parties:

In October 2017, Division of Financial Assistance (DFA) staff shared draft amendments to the <https://www.waterboards.ca.gov/water_issues/programs/grants_loans/proposition1/docs/draft_prop1_gw_funding_guidelines_strikethrough_october_2017.pdf> Proposition 1 Groundwater Grant Program (GWGP) Guidelines (Guidelines), which were originally adopted by the State Water Resources Control Board (State Water Board) on May 18, 2016.

DFA staff are reviewing and addressing written comments on the proposed amendments, and input from the public workshop that occurred November 8, 2017. DFA plans to present the amended Guidelines to the State Water Board for consideration of adoption on December 19, 2017.

If you have any questions or need further information, please see
