

Agenda Stanislaus, Tuolumne, and Merced (STM) Working Group Meetings: Revised Draft Initial Biological Goals

Meeting Purpose: Seek Recommendations from the STM Working Group Members on Revised Draft Initial Biological Goals

To facilitate productive discussions, it is expected that meeting participants have read the comment letters received on the Revised Draft Initial Biological Goals report. Comment letters are available from the State Water Board's FTP site folder:

2018 Bay-Delta Plan Update>Biological Goals>Revised Draft Initial Report_Comments
