**Subject:** Water grab

As an almond farmer here in Merced County I am totally opposed to shipping our water out to the cities & letting the water flow out to the ocean. We are already in a water crunch & can barely raise crops! What is needed are more dams & increased limits to fishing the bass who are destroying the salmon population.

DO NOT LET OUR WATER BE WASTED BY INCREASING FLOWS OUT TO THE DELTA & OCEANS!!! The San Joaquin valley is the bread basket of California and the country.  
DISCONTINUE THE BOONDOGGLE OF HIGH SPEED RAILWAYS & BUILD MORE DAMS!!! USE SOME COMMON SENSE! QUIT WASTING OUR MONEY WE WORK SO HARD TO EARN & QUIT DESTROYING THE FARMERS!

Disgusted constituent,
