**Subject:** Fahey ACL/CDO Hearing - Request for Response Deadline re- Motion for Protective Order

**Importance:** High

Yesterday, at 3:12 p.m., this office received the Prosecution Team's Motion for Protective Order or, Alternatively, Motion to Quash. There was no hearing date or date to respond to that motion listed on the motion, nor are we aware of any rule that provides us with such an opposition date. Accordingly, we request that the Hearing Officers set the date of **Friday, December 18, 2015, at noon**, as the last date to respond to this motion. That date of December 18 for a response is warranted not only by the lengthiness of the motion itself, but also by the fact that the substance of the motion relies upon the content of the filing by the Prosecution Team regarding witness statements, exhibits, etc., on Wednesday, December 16. According to the Prosecution Team, the merits of its motion depend upon the Prosecution Team's filing on December 16.

Thank you for your attention. We look forward to your prompt response.
