

STATE WATER RESOURCES CONTROL BOARD

RESOLUTION NO. 68-20

ADOPTING A POLICY FOR THE FREE DISTRIBUTION
OF STATE BOARD PUBLICATIONS CONCERNING
WATER POLLUTION AND WATER QUALITY CONTROL

WHEREAS, The State Water Resources Control Board authorizes from time to time the publication of reports on studies, investigations and research projects in the fields of water pollution and water quality control; and

WHEREAS, Section 3161 of the State Administrative Manual grants certain discretion in the free distribution of state publications;

NOW, THEREFORE BE IT RESOLVED that the Executive Officer, unless otherwise instructed by the Board, is authorized to distribute free of charge State Water Resources Control Board publications concerning studies, investigations and research in the fields of water pollution and water quality control to (1) California State and local agencies directly concerned with water pollution and water quality and related fields; (2) the Federal Water Pollution Control Administration and its regional offices; (3) the water pollution control agencies of the states and territories of the United States; (4) to technical and trade publications concerned with water pollution and water quality and related fields whose review and comments are solicited; (5) the contractor performing the study, investigation or research; and (6) on request to public libraries not receiving copies in accordance with the Library Distribution Act.

CERTIFICATION

The undersigned, Executive Officer of the State Water Resources Control Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on December 5, 1968.
