RESOLUTION NO. 76-3

APPROVING ORDERS NOS. 75-272, 75-273, AND
75-274 OF THE CENTRAL VALLEY REGIONAL
QUALITY CONTROL BOARD

WHEREAS:

1. At its November 21, 1975, meeting, the Central Valley Regional Water Quality Control Board adopted amendments to the Water Quality Control Plan, Sacramento River Basin, which will prohibit the discharge of waste from leaching or percolation systems in the following areas:
 - Adin Community Service District, Modoc County
 - Fall River Mills, Shasta County
 - Bell Road (including Panorama and Pearl Subdivisions, Auburn), Placer County
2. These discharge prohibitions are reasonable and necessary in light of the evidence regarding the geologic conditions in the designated areas and the threat of contamination of surface and groundwaters.

THEREFORE BE IT RESOLVED:

That the State Board approves Orders Nos. 75-272, 75-273, and 75-274 of the Central Valley Regional Water Quality Control Board amending the Water Quality Control Plan, Sacramento River Basin.
