

STATE WATER RESOURCES CONTROL BOARD

Resolution No. 76-44

Amending the Revenue Program Guidelines for Wastewater Agencies to allow for approval of the reduction of annual contributions to the Wastewater Capital Reserve Fund by the Executive Officer for small communities.

Whereas:

1. The State Water Resources Control Board is vested by Sections 1058 and 13976(h) of the Water Code with authority to implement, interpret or make specific Chapters 13 and 14 of Division 7 of the Water Code; and
2. The State Water Resources Control Board has determined that amendment of its Revenue Program Guidelines for Wastewater Agencies is necessary to facilitate the administration of the Clean Water Grants Program, specifically with regard to the approval of revenue programs.

Therefore be it resolved:

That the final sentence of Section 3c of Article 4 of the Revenue Program Guidelines for Wastewater Agencies be amended to read as follows:

"Revenue programs prepared pursuant to this paragraph must be approved by the Board, except where the applicant is a municipality with of population of less than 10,000. Where a municipality has a population of less than 10,000, the revenue program prepared pursuant to this paragraph must be approved either by the Executive Officer, or by the Board upon referral from the Executive Officer."

CERTIFICATION

The undersigned, Executive Officer of the State Water Resources Control Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on May 20, 1976
