

STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 76-58

EXECUTION OF INTERAGENCY AGREEMENT BETWEEN THE STATE
BOARD AND THE ENERGY RESOURCES CONSERVATION AND
DEVELOPMENT COMMISSION FOR WATER QUALITY MODELING

WHEREAS:

1. The Energy Resources Conservation and Development Commission has requested that the State Board provide water quality modeling support to the Commission under Interagency Agreement.
2. The Board wishes to develop an in-house capability to perform water quality modeling.
3. The Board recognizes that the benefits to be derived from the proposed project include development of general in-house modeling capability and special expertise in application of thermal dilution models.

THEREFORE BE IT RESOLVED:

That the Board authorize the Executive Officer to negotiate and execute an Interagency Agreement with the Energy Resources Conservation and Development Commission for the purpose of providing water quality modeling support to the Commission.

CERTIFICATION

The undersigned, Executive Officer of the State Water Resources Control Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on May 20, 1976.
