

STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 79- 53

SUPPORTING THE PLAN ADOPTED BY THE AIR RESOURCES
BOARD TO MEET AIR QUALITY STANDARDS AT LAKE TAHOE

WHEREAS :

1. On May 9, 1979, the State Air Resources Board adopted a Lake Tahoe Plan, a revision to the State Implementation Plan, to meet federal air quality standards.
2. Implementation of the Plan will also protect water quality.
3. The Plan calls for road use charges which will help raise funds for erosion control.
4. The Plan also calls for snow removal practices which will reduce siltation from roads.
5. The Plan also calls for a subdivision moratorium, which will prevent increased erosion and surface runoff which might result from subdivision construction.

THEREFORE, BE IT RESOLVED:

1. The State Water Resources Control Board supports implementation of the Lake Tahoe Plan adopted by the Air Resources Board.
2. The State Board urges the United States Environmental Protection Agency to promptly approve the Plan, including those measures in the Plan which will help protect water quality.
3. The State Board urges the United States Environmental Protection Agency to take all action within its power to ensure that the Plan is implemented.
4. The State Board calls upon all other state and federal agencies to support and help implement the Plan.

CERTIFICATION

The undersigned, Executive Director of the State Water Resources Control Board, does hereby certify that the foregoing is a full, true and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on June 21, 1979.
