

STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 79-67

APPEAL BY MR. PAUL L. C. FONG FROM STAFF
DETERMINATION OF INELIGIBILITY FOR GRADE IV
CERTIFICATION AND REQUEST FOR A HEARING

WHEREAS:

1. An application for the Grade IV wastewater treatment plant operator certification examination was submitted on February 2, 1979 by Paul L. C. Fong.
2. By a letter dated February 14, 1979, Mr. Fong was notified of a staff determination denying his application for the Grade IV examination on the ground that he failed to meet the experience requirement for certification at this level.
3. Mr. Fong appealed the staff determination and requested a hearing before the Board, by a letter dated March 14, 1979.
4. Applicant was requested to submit (to the Board) any additional evidence which he had concerning his claim and no response was received.
5. Staff has thoroughly reviewed applicant's file and has concluded that Mr. Fong fails to meet the experience requirement for Grade IV certification as specified in 23 C.A.C. §2480 (d).
6. The Board has also reviewed the record in this case.

THEREFORE BE IT RESOLVED:

That on the basis of the record before the Board, the staff determination is affirmed, and Mr. Fong's request for a hearing is denied.

CERTIFICATION

The undersigned, Executive Director of the State Water Resources Control Board does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on July 19, 1979.

Larry F. Walker
Executive Director
