

STATE WATER RESOURCES CONTROL BOARD
RESOLUTION 83-77

COMPLETION OF ASSOCIATION OF MONTEREY BAY AREA GOVERNMENTS
PHASE II 208 AGRICULTURAL DEMONSTRATION PROJECT

WHEREAS:

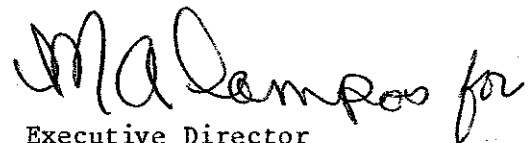

1. The Association of Monterey Bay Area Governments (AMBAG) is the Designated 208 Wastewater Treatment Management Planning Agency for the Monterey Bay Area, and
2. AMBAG was awarded a Phase II 208 grant to conduct water quality management planning studies, and
3. One of these studies provided for conducting Agricultural Demonstration projects to develop BMPs for agricultural fertilizer and water application to protect ground water quality, and
4. A final report for this project was prepared by U.C. Agricultural Extension describing the work conducted, results, recommendations, and BMPs, and
5. State Board staff has reviewed the final report and finds that it meets the workplan requirements and BMP certification criteria.

THEREFORE BE IT RESOLVED:

1. That the State Board approves the final report as completing AMBAG's Phase II 208 Agricultural Demonstration Project, and
2. Certifies the BMPs developed in this project, and
3. Directs the Executive Director to transmit the Final Report to EPA for their review and approval.

CERTIFICATION

The undersigned, Executive Director of the State Water Resources Control Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on October 20, 1983.

Executive Director
