

STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 85-87

ADOPTION OF AMENDMENTS TO THE ADMINISTRATIVE PROCEDURES
MANUAL FOR THE WATER QUALITY REGULATORY PROGRAM

WHEREAS:

1. The State Board adopted an Administrative Procedures Manual in May 1984 governing internal procedures of the State and Regional Boards.
2. Specific sections of that manual are in need of revision, including the section that addresses requests for Cleanup and Abatement Account funds.
3. Adoption of the amendments to the Administrative Procedures Manual constitutes procedure making and, as such, is not a "project" for purposes of the California Environmental Quality Act, Public Resources Code, Section 21000 et. seq., 14 CAC, Section 15378(b)(3).
4. These amendments to the Administrative Procedures Manual are not regulations as that term is defined in Government Code Section 11342 and therefore are not subject to the requirements of the Administrative Procedures Act (Government Code Sections 11340 et. seq.).

THEREFORE BE IT RESOLVED:

1. That the State Board approves the revised section of the Administrative Procedures Manual, Chapter 9, Pages 66 and 67.
2. That pages 102 (Item 8) - 106 of the May 1984 version are rescinded as referenced.
3. That the Executive Director is authorized to correct typographical errors and make minor, non-substantive modifications in the manual.
4. That all other changes, additions, or amendments to the manual will be approved by the State Board.

The undersigned, Executive Director of the State Water Resources Control Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on December 19, 1985.
