HAZARDOUS WASTE PROJECT"

WHEREAS:

1. Pursuant to the terms of a Phase I 205(j) grant from the U. S. Environmental Protection Agency (EPA), the State Water Resources Control Board (State Board) provided funds to the County of San Bernardino (County) to develop a management plan and conduct a pilot project to manage hazardous wastes generated by households and other small sources.

3. The State Board has found that the Small Quantities Report conforms to the requirements of the EPA 205(j) grant and to Standard Agreement No. 3-113-225-0 under which it was performed.
4. The County has vigorously and successfully pursued ongoing locally funded implementation of the pilot program initially developed with 205(j) funds, is considering expanding the program, and has provided a useful model for similar programs in other jurisdictions.

THEREFORE BE IT RESOLVED:

That the State Board
