

STATE WATER RESOURCES CONTROL BOARD  
RESOLUTION NO. 88- 66

REQUEST FOR WAIVER OF STEP 3 FUNDING LIMITATION  
FOR THE SAUSALITO-MARIN CITY SANITATION DISTRICT  
CLEAN WATER GRANT NO. 2464-110

WHEREAS:

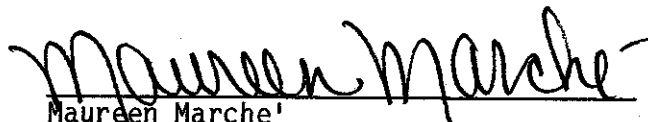

1. On September 2, 1982, the State Water Resources Control Board adopted a policy that all Step 3 Clean Water grants issued after October 1, 1982 would be limited to the low bid plus five percent of the construction bid costs for contingencies and additional amounts for administration and engineering;
2. On March 14, 1988, the Sausalito-Marin City Sanitary District (District) requested that the State Water Resources Control Board waive its funding limitation policy;
3. The reason for the District's request for the waiver is for conditions beyond their control; and
4. The State Water Resources Control Board staff has reviewed the District's request and feels that the requested increases were known to the Board to be typical of such projects at the time of the Board's adoption of its policy on limiting such increases.

THEREFORE BE IT RESOLVED:

That the State Board, after due consideration, does hereby deny the District's request to waive the Board's funding limitation policy.

The undersigned, Administrative Assistant to the Board, does hereby certify the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on June 16, 1988.
