APPROVAL OF AN INCREASE IN THE SUPPLEMENTAL STATE
ASSISTANCE GRANT FOR THE COMMUNITY OF LAKE HUGHES

WHEREAS:

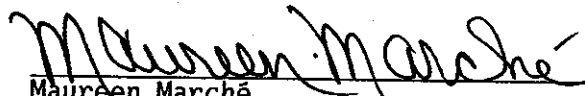

1. The State Board approved a supplemental state assistance grant for Lake Hughes Project, on April 21, 1988, in the amount of \$1.2 million;
2. Estimated total project costs have increased from \$3.75 million in April 1988 to the present estimate of \$6.95 million;
3. The Los Angeles County on behalf of the Community of Lake Hughes is requesting an increase of \$1.1 million in their previously approved supplemental state assistance grant of \$1.2 million;
4. The Division of Clean Water Programs has computed the amount of the eligible supplemental grant increase for the Lake Hughes project to be \$650,000; and
5. An increase of \$650,000 to the previously approved supplemental state assistance grant of \$1.2 million will not result in a combined federal and state assistance of more than 97.5 percent of the state eligible project cost.

THEREFORE BE IT RESOLVED:

That the State Board approves the award of an increase up to \$650,000 to the existing supplemental state assistance grant of \$1.2 million for a total supplemental state assistance grant of \$1.85 millions to Los Angeles County on behalf of the Community of Lake Hughes.
