

State of California
State Water Resources Control Board
Resolution No. 93-2

Expressing Appreciation To
Glenn K. Mork

WHEREAS, The State Water Resources Control Board is charged with the orderly administration of water rights and water quality control, and

WHEREAS, A thorough understanding of all the facets of water rights and water quality control is necessary to maintain an orderly system, and

WHEREAS, Glenn K. Mork has, during his 31 years of service with the State of California, devoted himself to the equitable administration of water rights and various programs to protect the water quality of the waters in California, and

WHEREAS, Glenn has proven himself to be an outstanding engineer, whose extensive knowledge of California water quality and water resources development and needs has provided expertise for the sound development of water quality and water rights programs, and

WHEREAS, Glenn has provided his professional service with dedication and competence throughout his service to the state in the Department of Water Resources and the State Water Resources Control Board,

NOW, Therefore be it Resolved: that the State Water Resources Control Board on behalf of itself and the people of California wish to thank Glenn for outstanding service, and

Be it further RESOLVED: That the State Water Resources Control Board wishes Glenn success and happiness in his retirement.
