NOTICE OF PUBLIC WEBINARS Remote Participation Only

SAFER: Administrator Policy Handbook Workshop

Date: Thursday, October 6, 2022

Time: 9:00 to 11:00 AM

Register [Here](#)

NOTICE IS HEREBY GIVEN that the State Water Resources Control Board (State Water Board) will hold a public webinar workshop to provide an opportunity for stakeholders to contribute towards the enhancement of the Administrator Policy Handbook that provides standards, terms, and procedures that apply to the selection and duties of appointed administrators for designated water systems, as required by Health and Safety Code section 116686. A quorum of State Water Board members may be present; however, no action will be taken.

If you wish to discuss an agenda item or ask a question: Information about participating telephonically or via the remote meeting platform is available in the Public Comment section of this notice (below).

MEETING MATERIALS

Meeting materials and details on remote participation will be available online at https://www.waterboards.ca.gov/drinking_water/certlic/drinkingwater/administrator.html

PUBLIC COMMENT

These meetings are open to the public. Members of the public will be provided an opportunity to discuss agenda items via videoconference or telephonically. Public comments on agenda items may be limited to three (3) minutes.

Please register for the webinar to receive the participation link for discussion:

LANGUAGE SERVICES

Spanish language interpretation can be provided for the webinar. If you require Spanish language interpretation, please email a request to safer@waterboards.ca.gov at least 10 business days before the meeting.

If you require interpretation for a language other than Spanish or if you require sign language services, please email a request to safer@waterboards.ca.gov at least 10 business days before the meeting.

BACKGROUND

The State Water Board has the authority to consider the appointment of an administrator when necessary to provide an adequate supply of affordable, safe drinking water to disadvantaged communities, voluntary participants, and public water systems and to prevent fraud, waste, and abuse.

Some of the duties assigned to appointed administrators may include overseeing all activities of a designated water system, acting as its general manager, developing and implementing a Community Accountability and Engagement Plan, and/or managing an infrastructure project on behalf of the designated water system. An administrator may utilize other service providers, such as forensic accountants, outreach and engagement specialists, human resources professionals, attorneys, engineers and other operators, and administrative staff, as needed.

PURPOSE

This workshop will provide an opportunity for stakeholders to learn about and contribute to the State Water Board's proposed enhancements to the Administrator Policy Handbook.

AGENDA

The Administrator Policy Handbook workshop will cover the following items:

- High-level overview of policy.
- Review significant changes.
- Provide opportunity for public comment and questions.

PROCEDURAL MATTERS

Public participation will be remote via an online hosted platform. Questions, comments, and discussion items will be collected via the webinar.

ACCESSIBILITY

Please register for the webinar to receive the participation link for discussion. Additional information about how to access the webinar will be provided via email. Webinar registration pages:
