BACKGROUND

California Department of Transportation (Caltrans) proposes to reconstruct, expand, and modernize the eastbound (EB) and westbound (WB) Cactus City Safety Roadside Rest Areas (SRRAs) located along Interstate 10, approximately 15 miles east of the City of Indio, Riverside County, California, 92201. The Project will temporarily and permanently impact non-wetland waters of the state.

The Project work will consist of demolishing and removing existing buildings, picnic shelters, tables and benches, parking, landscape, and lighting. The buildings will be replaced with two expanded capacity comfort station buildings at each rest area location, with an additional auxiliary comfort station building on the WB side to reduce walking distance from the truck parking lot. A Water Treatment System building will be constructed on the WB side, and each side will have a California Highway Patrol (CHP) building. A new water supply line will also be installed to serve both locations.

When completed, each rest area location will include expanded car and truck parking, new bicycle parking, upgraded water/wastewater treatment equipment, fire suppression tanks, pet areas, interpretive/educational elements, information/ bulletin boards, picnic shelters with tables and benches, water fountains, walkways, seating; trash receptacles; site lighting, one Electric Vehicle (EV) charging station at each SRRAs, and landscape and irrigation.

HEARING PROCEDURE

Nature of Hearing

The Colorado River Basin Water Board’s consideration of the Tentative Order is an adjudicative proceeding¹ conducted in accordance with California Code of Regulations, title 23, section 648 et seq. The administrative record shall consist of all Board files, exhibits, and related agenda material. The Tentative Order will be considered via an “informal hearing.” (*Id.*, § 648.7; see also Gov. Code, § 11445.10 et seq.)

Parties to Proceeding

The parties to this proceeding are the Discharger (i.e., person to whom the Tentative Order is directed), and any additional persons that the Executive Officer, in consultation with the Board Chair, determines should be a “party.” (Cal. Code Regs., tit. 23, § 648.1, subd. (a).) Such additional persons are referred to as **Designated Parties**.

Unless they are formally recognized as a Designated Party, **interested persons are NOT considered “parties” to the proceeding**. This means that interested persons will ordinarily not be permitted to present evidence (e.g., photos, eyewitness testimony, etc.) for entry into the administrative record; again, oral comments are limited to general policy and legal statements. Interested persons are also not subject to cross-examination but may be asked to respond to clarifying questions from the Board Members. (*Id.*, § 648.1, subd. (d).)

To request Designated Party status, send a written application via email to Logan.Raub@WaterBoards.ca.gov as soon as possible, but no later than **March 27, 2024** (submitted concurrently with written comments and any proposed written evidence). The Executive Officer and Board staff will promptly respond to all timely applications and may request further information before the determination is made.

Designated Party status will only be granted if the applicant demonstrates that it is necessary and appropriate under the circumstances.² An application will not be granted

¹ An “adjudicative proceeding” is one in which the Board conducts an evidentiary hearing for determination of facts, resulting in the formulation of a decision in the form of an adopted order. (Gov. Code, § 11405.20; Cal. Code Regs., tit. 23, § 648, subd. (a).)

² The Board’s decision may include the following considerations: (1) whether the applicant will be substantially affected by issues addressed in the hearing; (2) whether

if it appears that such designation will impair the interests of justice and the orderly and prompt conduct of the proceeding. Additionally, the Executive Officer, in consultation with the Board Chair, may impose restrictions on the requestor's hearing participation, including limiting or excluding the use of cross-examination and other procedures to promote the orderly and prompt conduct of the proceeding. (Gov. Code, § 11440.50, subd. (c).)

Order of Proceeding

Adjudicative proceedings are conducted in a manner deemed most suitable to the particular case with a view toward expeditiously securing relevant information without unnecessary delay and expense. (Cal. Code Regs., tit. 23, § 648.5, subd. (a).)

This proceeding will be conducted in the following order: (1) opening statements by Board Chair, summarizing the subject matter and purpose of the hearing; (2) identification of all persons wishing to participate in the hearing; (3) administration of oath for all persons intending to speak at the hearing, including interested persons making oral comments; (4) presentations by staff; (5) comments and/or presentations by parties; (6) comments from interested persons; (7) Board Members' comments and discussion; (8) closure of hearing by Board Chair; and (9) voting by Board Members. In the event that the Tentative Order will be contested, the Executive Officer, in consultation with the Board Chair, will determine time allotments prior to the hearing.

Submission of Evidence

To avoid the introduction of surprise testimony and exhibits (Cal. Code Regs., tit. 23, § 648.4, subd. (a)), and to minimize the need for oral argument and testimony at the hearing, the parties shall submit all documentary evidence (*Id.*, § 648.4, subd. (c)), witness information (*Id.*, § 648.4, subd. (b)), and legal/technical memoranda to staff prior to the hearing date.

As noted above, the administrative record will consist of materials in the Board file for the Facility (at time of hearing).

the parties will adequately represent the applicant's interests; (3) whether the applicant would present their own written evidence or witness testimony at the hearing; and (4) whether the applicant will seek to cross-examine the other parties' witnesses.
