Separation of Functions

As indicated above, Lahontan Water Board staff participating in this proceeding has been separated into two teams to help ensure the fairness and impartiality of this proceeding. The Lahontan Water Board's Prosecution Team includes staff who will act in a prosecutorial role by presenting evidence for consideration by the Lahontan Water Board. The Lahontan Water Board's Advisory Team includes staff who will provide the Water Board with technical and legal advice.

Advisory Team members are: Patty Z. Kouyoumdjian, Executive Officer; Kim Niemeyer, Staff Counsel; and Doug Smith, Supervising Engineering Geologist

Prosecution Team members are: Lauri Kemper, Assistant Executive Officer; Vanessa Young, Staff Counsel; Scott Ferguson, Supervising WRC Engineer; Catherine Pool, Senior WRC Engineer; and Lisa Scorallo, Engineering Geologist.

Any members of the Advisory Team who normally supervise any members of the Prosecution Team are not acting as their supervisors in this proceeding, and vice versa. Members of the Prosecution Team may have acted as advisors to the Lahontan Water Board in other, unrelated matters, but they are not advising the Lahontan Water Board in this proceeding. Members of the Prosecution Team have not had any ex parte communications with Lahontan Water Board members or Advisory Team members regarding this proceeding.

Ex Parte Communication

The Designated Parties and Public are forbidden from engaging in ex parte communications regarding this matter with Lahontan Water Board members or Advisory Team members. An ex parte contact is any written or verbal communication pertaining to the investigation, preparation or prosecution of the proposed Order between a Designated Party or the Public on one hand, and a Lahontan Water Board member or Advisory Team member on the other hand, unless the communication is copied to all other Designated Parties (if written) or made in a manner open to all other Designated

Parties (if verbal). Communications regarding non-controversial procedural matters are not ex parte contacts and are not restricted. Communications among one or more Designated Parties and the Public themselves are not ex parte contacts.

Hearing Time Limits

Please note that the scheduled public hearing is designed for the Designated Parties to simply summarize the previously submitted evidence/technical and legal arguments. This means that all evidence and/or arguments must be submitted by the deadlines specified in these Hearing Procedures, so the Designated Parties do not need to reintroduce any evidence. At the hearing, the Designated Parties should focus their limited time to highlight important points from the previously submitted evidence or testimony.

To ensure that all participants have an opportunity to participate in the hearing, the following time limits shall apply: each Designated Party shall have a combined 30 minutes to present an overview of its evidence, to present and cross-examine witnesses, and to provide a closing statement; and each Public participant shall have 3 minutes to present non-evidentiary statements. Participants with similar interests or comments are requested to make joint presentations, and participants are requested to avoid redundant comments. Participants (Designated Parties and the Public) who would like additional time must submit their request in writing to Ms. Genera with copies to the Designated Parties. Such requests must be received by Ms. Genera **no later than 4:00 p.m. on February 7, 2016**. Additional time may be provided at the discretion of the Advisory Team (prior to the hearing) or the Water Board Chair (at the hearing) upon a showing that additional time is necessary.

The following information must be submitted in advance of the public hearing:

1. All written evidence and exhibits that a Designated Party would like the Lahontan Water Board to consider. Absent a showing of good cause and lack of prejudice to the parties, the Lahontan Water Board may exclude evidence and testimony that is not submitted in accordance with these hearing procedures. Excluded evidence and testimony will not be considered by the Lahontan Water Board and will not be included in the administrative record for this proceeding. Power Point and other visual presentations may be used at the hearing, but their content may not exceed the scope of other timely submitted written material. A written and electronic copy of such material that Designated Parties or the Public intend to present at the hearing must be submitted to Ms. Genera at or before the hearing for inclusion in the administrative record. Additionally, any witness who has submitted written testimony for the hearing shall appear at the hearing and affirm that the written testimony is true and correct, and shall be available for cross-examination.
