**Subject:** Comment Letter Proposed UST Regulations

Just got done reading the new proposed regulations. You guys are requiring the owner/operators to upload a few more things to CERS. Is CERS 3.0 going to expand the available upload areas for the UST program? If not, where does all the additional required information get uploaded to?

**Subject:** NOTICE OF PROPOSED REGULATORY ACTION - UNDERGROUND STORAGE TANK REGULATIONS

### **This is a message from the State Water Resources Control Board.**

The State Water Resources Control Board (State Water Board) has issued a Notice of Proposed Regulatory Action to amend California Code of Regulations, title 23, division 3, chapter 16 to clarify or make specific the method of reporting for existing reporting requirements. Specifically, the proposed amendments define whether existing reporting requirements are to be submitted electronically to the California Environmental Reporting System (CERS) or GeoTracker, or if they may be submitted via other means, such as mail, email, fax, or hand delivery.

The 45 day public comment period for the proposed regulatory action begins on Friday, March 25, 2016 and ends at 12 p.m. on Tuesday, May 10, 2016.

The Notice of Proposed Regulatory Action to amend California Code of Regulations, title 23, division 3, chapter 16 is available at: <http://www.oal.ca.gov/res/docs/pdf/notice/13z-2016.pdf>

The proposed rulemaking package is available at: [http://www.waterboards.ca.gov/public\\_notices/comments/index.shtml](http://www.waterboards.ca.gov/public_notices/comments/index.shtml)

Additional information and resources related to the proposed emergency regulation are provided on the State Water Board's Underground Storage Tank Leak Prevention webpage: [http://www.waterboards.ca.gov/water\\_issues/programs/ust/adm\\_notices/elect\\_rpt\\_regs/](http://www.waterboards.ca.gov/water_issues/programs/ust/adm_notices/elect_rpt_regs/)
