

I own a boat anchored in Marina Del Rey and am opposed to the TMDL Amendment by the L.A. Regional Water Quality Control Board.

1. I was denied opportunity to make timely comments, no due process.
2. The lack of use of such paints may cause an increase of Invasive Species.
3. Economic effect would be a hardship for boaters, and result in less of a boating community in Marina Del Rey.
4. The Board is not an elected and does not have authority to name "Reasonable Parties" in a TMDL.

Sincerely,
Geoffrey Harding
