Re: **TIME SENSITIVE: ABEYANCE REQUESTED FOR PREVIOUSLY-SUBMITTED WATER QUALITY PETITION (SWRCB/OCC FILE A-2455(c), CONCERNING REGION 2's ADOPTION OF NPDES No. CAS612008)**

To Whom It May Concern:

Given the State Water Resources Control Board's (State Board's) recently announced proposal to adopt an "Own Motion" regarding Water Quality Petitions A-2455(a)-(m) on December 6, 2016, I write to inform you that the above-referenced Water Quality Petition, originally submitted by the Santa Clara Valley Urban Runoff Pollution Prevention Program (SCVURPPP)¹ and San Mateo Countywide Water Pollution Prevention Program (SMCWPPP)² on December 16, 2015, should immediately be placed back into abeyance so as to preserve and not otherwise further prejudice the Programs or municipal co-permittees involved.³

Thank you in advance for your prompt attention and forthcoming confirmation of receipt of and timely action on this letter.

¹ The 15 municipal co-permittee agencies comprising SCVURPPP are: the cities of Campbell, Cupertino, Los Altos, Los Altos Hills, Los Gatos, Milpitas, Monte Sereno, Mountain View, Palo Alto, San Jose, Santa Clara, Saratoga, and Sunnyvale; the County of Santa Clara; and the Santa Clara Valley Water District.

² The 21 municipal co-permittee agencies comprising SMCWPPP are: the towns of Atherton, Colma, Hillsborough, Portola Valley, and Woodside; the cities of Belmont, Brisbane, Burlingame, Daly City, East Palo Alto, Foster City, Half Moon Bay, Menlo Park, Millbrae, Pacifica, Redwood City, San Bruno, San Carlos, San Mateo, and South San Francisco; and the County of San Mateo.

³ Petitioners had originally submitted a request for placement into abeyance on March 12, 2016, but were informed by the State Board on March 15, 2016 that review had been granted in this matter and that all petitions covered by the review would be removed from abeyance and be activated.
