WRITTEN RESPONSE TO PETITIONS FOR REVIEW**

Dear Ryan Mallory-Jones:

This is in response to your March 15, 2016 Complete Petition 30-day Response letter, as modified in your April 11 letter, in connection with the above matters, which invited written response from the San Francisco Bay Regional Water Quality Control Board (Regional Board) and other interested persons relating to the adoption by the Regional Board on November 18/19, 2016 of the Municipal Regional Stormwater Permit for the San Francisco Bay Area, Order No. R2-2015-0049 (the MRP Order).

This written response is submitted on behalf of the City of Dublin ("City"). The City filed its own petition in this matter (A-2455(h)) and is an interested person with regard to the San Francisco Baykeeper petition (A-2455(i)) and the other petitioners that filed petitions for review of the MRP Order.

The City fully supports and concurs with the Written Response filed by Gary Grimm on behalf of the Alameda Countywide Clean Water Program ("ACCWP") in this matter. The City is a member agency of the ACCWP and is committed to implementation of municipal stormwater measures necessary to maintain and improve water quality in the San Francisco Bay Region. The City incorporates the ACCWP's Written Response by reference, as if fully set forth herein.

Thank you for your consideration of our comments and we look forward to your further action on these petitions for review.

Sincerely,

Andrew Russell
Assistant Public Works Director/City Engineer
City of Dublin
