Dear LtCol. Soderberg:

Enclosed is a copy of Tentative Addendum No. 2 to Order No. R9-2003-0155, NPDES Permit No. CA0109347, and a fact sheet in support of the tentative Addendum. The tentative Addendum will be presented to the Regional Board for adoption at their regularly scheduled meeting on August 16, 2006. If adopted, the tentative Addendum will authorize the discharge of treated effluent from the new Southern Region Tertiary Treatment Plant to the Oceanside Ocean Outfall.

The August 16, 2006 meeting will begin promptly at 9:00 am and will be held at the following location:

Regional Water Quality Control Board  
Regional Board Meeting Room  
9174 Sky Park Court, Suite 100  
San Diego, CA 92123

Please review and comment on the revised tentative Addendum at your earliest convenience. It is recommended that written comments be submitted as soon as possible to amend the tentative Addendum, if necessary, and allow changes to the tentative Order to be fully reviewed by the Regional Board and interested parties. To ensure that the Regional Board has the opportunity to fully study and consider written material, comments should be received in the Regional Board's office no later than 5:00 P.M. on Wednesday, August 2, 2006. The final deadline for submittal of written comments, however, is August 9, 2006. Per Regional Board direction, written material submitted to the Regional Board office after the submittal deadline date will not be provided to the Regional Board. Also, it is not likely that written material will be accepted by the Regional Board on the day of the meeting.
