

Agenda Notice for February 8, 2006

NOTES:

A. GENERAL STATEMENT

The primary duty of the Regional Board is to protect the quality of the waters within the region for all beneficial uses. This duty is implemented by formulation and adopting water quality plans for specific ground or surface water basins and by prescribing and enforcing requirements on all domestic and industrial waste discharges. Responsibilities and procedures of the Regional Water Quality Control Board come from the State's Porter-Cologne Water Quality Act and the Nation's Clean Water Act.

The purpose of the meeting is for the Board to obtain testimony and information from concerned and affected parties and make decisions after considering the recommendations made by the Executive Officer.

B. CONSENT CALENDAR

All the items appearing under the heading "Consent Calendar" will be acted upon by the Board by one motion without discussion, provided that any Board member or other person may request that any item be considered separately and it will then be taken up at a time as determined by the Chairman.

Any person may request a hearing on an item on the Consent Calendar. If a hearing is requested, the item will be withdrawn and the hearing will be held at the end of the regular agenda.

C. HEARING PROCEDURES

Hearings before the San Diego Regional Board are not conducted pursuant to Chapter 5 of the California Administrative Procedure Act, commencing with Section 11500 of the Government Code. Regulations governing the procedures of the regional boards are codified in Chapter 1.5, commencing with Section 647, of the State Water Resources Control Board regulations in Division 3 of Title 23 of the California Code of Regulations.

Testimony and comments presented at hearings need not conform to the technical rules of evidence provided that the testimony and comments are reasonably relevant to the issues before the Board. Testimony or comments that are not reasonably relevant, or that are repetitious, will be excluded. Cross-examination may be allowed by the Chairman as necessary for the Board to evaluate the credibility of factual evidence or the opinions of experts. Video taped testimony by witnesses who are not present at the hearing will not be accepted unless such testimony was subject to cross-examination by all designated parties¹.

Pursuant to Government Code § 11445.20, the Board will use an informal hearing procedure, which does not include the right of cross-examination. Failure to make a timely objection to the use of an informal procedure, in accord with the directions below, will constitute consent to the informal hearing (See Title 23, California Code of Regulations, Section 648.7). Even with a timely objection, an informal procedure may be used under the circumstances identified in Government Code § 11445.20 (a) (b) or (d).

For formal hearings, designated parties must submit witness testimony prior to the hearing date. During the formal hearing, witnesses will be allowed a limited time to orally summarize the

¹ This does not preclude the use of videotape to present graphic images, provided that the person who took the videotape is available for questioning; this is intended to apply to spoken testimony of witnesses who are not available for cross-examination at the hearing.

pertinent points of their testimony. Designated parties requesting a formal hearing must submit 20 copies of the following information to the Regional Board. This information must be received in the Regional Board's Office by the date indicated on the first page of this Agenda Notice for the submission of a request for formal hearing:

- Witness testimony;
- The name of each proposed witness and the order in which witnesses will be called;
- A description/summary of what each witness' testimony is intended to prove; and,
- Identification of material factual issues in the dispute.

When a hearing is conducted using formal procedures, participants will be determined to be either "designated parties" or other "interested persons". Only designated parties will have the right to cross-examine witnesses. Interested persons do not have a right to cross-examination, but may ask the Regional Board to clarify testimony.

Designated parties automatically include the Regional Board and any person to whom an order is addressed (i.e., the Discharger(s)). All other persons wishing to testify or provide comments at a formal hearing are interested persons. An interested person may request status as a designated party for purposes of the formal hearing. A request must be received in the Regional Board's Office by the date indicated on the first page of this Agenda Notice for the submission of a request for formal hearing. The request must explain the basis for status as a designated party and, in particular, how the person is directly affected by the possible actions of the Regional Board.

For any hearing (formal or informal) the Chair will allocate time for each party to present testimony and comments and to question other parties if appropriate. Interested parties will generally be given 3 minutes for their comments. Where speakers can be grouped by affiliation or interest, such groups will be asked to select a spokesperson. The Chair may allocate additional time for rebuttal or for a closing statement. Time may be limited due to the number of persons wishing to speak on an item, or the number of items on the Board's agenda, or for other reasons.

All persons testifying must state their name, address, affiliation, and whether they have taken the oath before testifying. The order of testimony for hearings generally will be as follows, unless modified by the Regional Board Chair:

- Testimony* of Regional Board staff
 - Testimony* of discharger
 - Testimony* of other designated parties
 - Testimony* of interested persons
 - Closing statement by designated parties other than discharger
 - Closing statement by discharger
 - Closing statement by staff
 - Recommendation by Executive Officer (as appropriate)
 - Close public hearing
 - Deliberation and voting by Regional Board
- *includes cross examination if formal hearing

Closing statements shall be for the purpose of summarization and rebuttal, and are not to be used to introduce new evidence or testimony, or to restate direct testimony. After considering evidence, testimony, and comments, the Regional Board may choose to adopt an order regarding a proposed agenda item. All Regional Board files, exhibits, and agenda material pertaining to items on the agenda are made a part of the record. Persons wishing to introduce item exhibits
