SUBJECT: \$50,000 SEP FOR DEPOSIT INTO CLEANUP AND ABATEMENT ACCOUNT

2005 OCT 21 PM 7:35

On September 14, 2005, the Regional Board assessed \$150,000 civil liability (ACL) against the San Diego Metropolitan Transit Development Board (MTDB), for violations of the State Board's construction storm water NPDES permit. In accordance with the Order (copy of ACL Order No. R9-2005-01730 is enclosed), \$100,000 of the liability is to be deposited into the State Water Pollution Cleanup and Abatement Account and the remaining \$50,000 is to be placed in a set-aside fund category to be used in the future to fund a Supplemental Environmental Project (SEP).

Enclosed is a copy of the check tendered by MTDB on October 14, 2005, in the full amount of the \$150,000 liability.

It is our understanding that the State Board can create a separate account or otherwise manage the \$50,000 separately from the other funds paid into the Cleanup and Abatement Account until such time as the Regional Board can authorize the disbursement of the funds to a worthy project.

Please let us know if you need additional information to set up this account and if other procedures are necessary in the future

Please contact Vicente Rodriguez at (858) 627-3940 or by email at VRodriguez@waterboards.ca.gov if you have any questions concerning this matter.
