Hello Charles:

San Diego Regional Water Board
9174 Sky Park Court, Suite 100
San Diego, Ca. 92123

Thank you for your phone call today. I hope we can finally get this straightened out.

First let me say we want to rescind the license from the So. Cal. Regional Water Board. Lic. # 9 000000037, for the campground under this permit.

The camp has been closed since August 2005. I had previously called and explained the camp was not in operation and was told to ignore the bill we received. This we were told again in 2007 when I again called about the bill.

Now however thanks to Charles Cheng, it was explained to us what we needed to do.

We do have a watchman and a caretaker/maintenance man who live on the property.

The property is up for sale and we understand whoever buys it for whatever purpose will need to apply for a new permit if it is required.

The property is not now nor will it be used by us for a campground.

Thank you for your help in this matter.

North American Indian Mission
