SCH#	Lead Agency	Project Title	Description	Document Type	Date Received
2014041010	Regional Water Quality Control Board, Region 9 (San Diego), San Diego	Conditional Waivers of Waste Discharge Requirements for Low Threat Discharges in the San Diego Region	Adoption of Conditional Waivers of Waste Discharge Requirements for Low-Threat Discharges in the San Diego Region (Order). The Order will revise/renew the following waivers for the following waste discharge classifications: on-site graywater disposal systems; animal operations; silvicultural operations; miscellaneous low threat discharges; aerially discharged wastes to land; recycled water discharges to land; solid wastes discharges to land; slurry discharges to land; and regional emergency related waste discharges to land. The Order will incorporate new conditional waivers for the following waste discharge classifications: aquatic animal production facilities, winery waste process water to lined ponds; and composting facilities. The Order requires implementation of effective management measures and structural and non-structural best management practices.	Req	4/2/2014
2014028189	Regional Water Quality Control Board, Region 9 (San Diego), San Diego	Fender Replacement Project at piers 4 and 6 at Continental Maritime of San Diego	Removal of the existing fenders and replacement with new fenders at Piers 4 and 6, requiring pile driving of 28 new steel H piles into the San Diego bay floor. Pier 4 will receive 6 new fenders requiring the installation of 12 new piles and Pier 6 will receive 8 new fenders requiring the installation of 16 new piles.	NOE	2/21/2014
