SUPPLEMENTAL  
EXECUTIVE OFFICER SUMMARY REPORT  
November 18, 2015

ITEM: 9.a

SUBJECT: U.S. Department of the Navy (Navy), Naval Base Coronado.  
*(Kristin Schwall)*

a. NPDES Permit Reissuance: Discharge to the Pacific Ocean, San Diego Bay and the Tijuana River Estuary (Tentative Order No. R9-2015-0117, NPDES No. CA0109185).

PURPOSE: To receive public testimony and consider adoption of Tentative Order No. R9-2015-0117 (Tentative Order).

RECOMMENDATION: Adoption of the Second Revised Tentative Order (**Supporting Document No. 5**) is recommended.

DISCUSSION: This Executive Officer Summary Report (EOSR) supplements the EOSR provided for Item 9.a of the November 18, 2015 San Diego Water Board meeting.

Subsequent to the distribution of the agenda package, San Diego Water Board staff made minor edits to the Tentative Order to add waterbody names and beneficial uses for the Remote Training Site Warner Springs, Camp Morena, and Camp Michael Monsoor. These waterbody names and beneficial uses were inadvertently left out of the draft although they were identified in the installation description.

SUPPORTING DOCUMENTS: 5. Second Revised Tentative Order No. R9-2015-0117
