KEY ISSUES

The US Customs and Border Protection (CBP) recently released the draft Water Quality Analysis for January-June 2018 monitoring period for transboundary flows in the Tijuana River Valley. Agents and representatives of CBP will update the Water Board on the findings of their draft study and water quality issues and their effect on Agents and the mission of the CBP. The report and other information can be found at: <https://www.cbp.gov/document/report/cbps-sampling-tijuana-wastewater>.
