

San Diego Water Board Meeting
Action Items
March 13, 2019
(underlined names are responsible for the action)

Item 3 – Future Agenda Items

1. Chairman Abarbanel would like an informational update on the Modern Monitoring project to prepare the board for possible discussions at the Water Quality Coordinating Meeting to be held this October.

Course of Action: Kelly Dorsey will coordinate with her team to provide the item this summer.

Hours needed to complete request: 40

Estimated Completion Date: Before October 1, 2019.

Item 7 – Ocean Discovery Institute

2. Chairman Abarbanel suggested that the students of the Ocean Discovery Institute (ODI) would benefit from an informal discussion with the Board Executive Officer and a few staff. The discussion would include the importance of protecting water quality and career opportunities with the Water Board.

Course of Action: Dave Gibson will reach out to the ODI to discuss such an opportunity and schedule accordingly.

Hours needed to complete request: 16

Estimated Completion Date: Before the end of 2019.

Item 8 – Water Quality Issues Affecting the US Customs and Border Patrol

3. Chairman Abarbanel suggested that the Executive Officer initiate discussions with the California Department of Public Health and possibly with the Center for Disease Control, to explore the opportunities for future studies into the health impacts to Border Patrol Agents and to the general public from contact with water in and around the Tijuana River Valley Estuary and River.

Course of Action: Dave Gibson will direct this outreach effort.

Hours needed to complete request: 40

Estimated Completion Date: Before the end of 2019.
