Subject: Tentative Addendum No. 5 to Order No. 97-52

Ms. Baylor:

The California Regional Water Quality Control Board, San Diego Region (San Diego Water Board) is considering adoption of the enclosed Tentative Addendum No. 5 to Order No. 97-52 (Tentative Addendum) at its scheduled meeting on Wednesday, May 8, 2019. The Tentative Addendum, if adopted, would amend Order No. 97-52, *Waste Discharge and Recycling Requirements for The South Orange County Wastewater Authority, Orange County*, to reflect that the Irvine Ranch Water District and El Toro Water District are no longer member agencies of the South Orange County Wastewater Authority, and therefore are no longer required to comply with Order No. 97-52.

The May 8, 2019 meeting will begin promptly at 9:00 a.m. and will be held in **San Diego Water Board Meeting Room, 2375 Northside Drive, Suite 100, San Diego, California 92108.**

Please review the Tentative Addendum and provide written comments at your earliest convenience but no later than **5:00 p.m. on Wednesday, April 10, 2019**. Comments must be submitted via email to sandiego@waterboards.ca.gov in text searchable Portable Document Format (PDF) or Microsoft Word format. Written material submitted after the deadline date will not be provided to the San Diego Water Board for consideration. Additionally, the San Diego Water Board will not accept written material on the day of the meeting. In the subject line of any response, please include reference **257591:BBushnell**.
