

**Table 7.4.3-5. Phase 2 Implementation Actions and Schedule for Sanitary Sewer Collection Systems**

<b>Phase 2 Implementation Actions</b>	<b>Implementing Parties</b>	<b>Schedule</b>
<p>If load allocations are not met, submit an enhanced Sewer System Management Plan, acceptable to the Executive Officer that prioritizes sewer system inspections and repairs in areas further than ½ mile from the beach. Include a diagram of prioritized infrastructure, a time schedule for implementing short- and long-term actions, and, as necessary, a schedule for developing the funds needed for the capital improvement plan. Also submit an assessment of the potential source-control benefits of lateral replacement program options, with a conceptual work plan for the optimal option.</p>	<p>SAM, City of Half Moon Bay, Granada Community Services District</p>	<p>Within six years of the effective date of the TMDL</p>
<p>Complete inspections and repairs identified in Phase 2.</p>	<p>SAM, City of Half Moon Bay, Granada Community Services District</p>	<p>Within 10 years of the effective date of the TMDL</p>
<p>Submit to the Water Board annual status reports describing actions taken.</p>	<p>SAM, City of Half Moon Bay, Granada Community Services District  CA Parks and Recreation</p>	<p>Annually</p>
