

Notice of Section 401 Application Reception

File Number: 302024-02

Project Name: State Route 1 Class II Bike Lane Facilities Improvement (EA:OS1400)

Received: 1/30/2024

Date Posted: 2/07/2024

End of 21 Day Public Comment Period: 2/28/2024

Project City: Huntington Beach, Seal Beach

Project County: Orange

Applicant Organization: Caltrans Department of Transportation, District 12 (Caltrans)

Applicant Name: Harris Huynh

Waterboard Staff: TBA

Brief Description of Project:

Project Description: The purpose of the project is to reduce bicyclist fatalities and serious injuries on the California State Highway System.

Project Activities: There are two alternatives, the Build and No Build Alternatives. Proposed improvements of the Alternative 1 (Preferred Alternative) are discussed in detail below. Alternative 2 (No Build Alternative) retains the existing conditions; and does not satisfy the purpose and need of the project. Alternative 1 (Preferred Alternative) proposes to address bicyclist safety throughout the corridor by introducing various improvements involving new delineation, signage, and other roadway modifications. Adding more length to the proposed upgraded MGS at the Bolsa Chica Ecological Reserve parking lot location. Increase from approximately 180' to 340'. Existing sand deposits along Beach Boulevard to Brookhurst Street and Warner Avenue to Seapoint Street will be cleaned up to prevent accumulation of sand and debris onto the roadway that may interfere with the movement of bicyclists on SB SR-1.
