The State Water Resources Control Board

a proposed cease-and-desist and administrative civil liability order to

for alleged unauthorized diversions of water within the San Joaquin River Watershed
in Merced County

**The Public Hearing will begin on

Due to the on-going COVID-19 pandemic and the associated closure of the Cal EPA Building to the public, the Administrative Hearings Office (“AHO”) has changed the in-person hearing that was scheduled for July 17, beginning at 1:00 pm, and continuing on July 30 and 31, 2020, to a Zoom teleconference hearing. This teleconference hearing will begin at the same time on the same date and will continue as necessary on the same subsequent dates.

The Zoom teleconference hearing will be recorded electronically and the AHO will post audio-only and audio-plus-video files of the hearing on the AHO-FTP site after the hearing. To facilitate a clear understanding of who is speaking, the hearing officer will ask each person to identify himself or herself as necessary during the hearing. The AHO will not order a court reporter for this hearing. Any interested party may order a court reporter at his, her or its own expense.

Any person interested in observing this hearing without participating may do so by accessing the Live Stream on the AHO YouTube channel with the following links:
