SUBJECT: Administrative Civil Liability Complaint
Report of Licensee for 2019 Water Diversion and Use for water rights
identified by Application ID A022245 (John Wood)

DATE: June 1, 2021

In January 2021, we understand you issued an Administrative Civil Liability (ACL) Complaint to John Wood, alleging that Mr. Wood violated annual reporting requirements under the California Code of Regulations, title 23, by failing to file the relevant reports by the applicable deadline. Mr. Wood requested a hearing.

On February 5, 2021, following a conversation with Mr. Wood, Patrick Lewis, staff counsel for the Office of Enforcement, sent an e-mail to the AHO stating the parties had agreed to resolve the matter via settlement agreement. The AHO did not set a hearing date for this matter. On March 19, Mr. Lewis sent a copy of the parties' signed settlement agreement to the AHO. On May 21, Mr. Wood sent an e-mail to the AHO with copies to staff from the Office of Enforcement and Division of Water Rights to confirm that he had withdrawn his request for a hearing.

Based on the settlement agreement and Mr. Wood's email, the AHO is issuing a Notice of Cancellation of this hearing and closing its file in this matter.
